## ANNUITY BOARD

Annuity Board? What is this? Annuity Board is to Baptist pastors, church staff members and denominational employees what Social Security is to the lay members of Baptist churches. It provides retirement and disability benefits.

As prices of goods increased and the value of the dollar decreased in 1970, a large number of Baptist pastors, church staff members and denominational employees moved to provide greater protection in the years ahead for themselves and their families. These persons did so by increasing their Southern Baptist Protection Program participation to at least ten per cent of total salary.

Each retired person, or widow received a "13th Check" for 1970 amounting to 8.33 per cent of his annual benefit. It was the fifth consecutive year the "13th Check" had been given and amounted to $424,594 dollars.

In its 53 year history, the Annuity Board has paid benefits amounting to $82.1 million dollars. Benefits totaling $8.4 million dollars were paid during 1970.

In the Brunswick Association we have eighteen churches and nineteen ministers participating in the Annuity Program.

## AUDITING COMMITTEE

The Audit Committee met at the home of Miss Ruth Galloway, October 19, 1971 and examined the financial records for the fiscal year 1970-1971.

We checked from the balance carried forward from the 1969-1970 year, checked the receipts against disbursements and tied them in with the bank statements. We arrived at the balance as shown for September 30, 1971.

We found the books were kept in a neat and orderly fashion, detailed and easily readable. We commended Miss Galloway for her often tedious and time-consuming efforts.

## BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA, INC.

The child care and family service ministry of North Carolina Baptist has undergone many new and thrilling experiences during the past year. Since the association last met, our program of services has been strengthened in various ways.

The desire for a home to serve Western North Carolina has become a reality. The first two cottages on the Broyhill Home campus near Waynesville have been completed, providing for twenty-five additional children in group care. Also, during the past year, a maternity home has been opened in Asheville.

The Ten Star Builders Program, designed to inform Baptist and other friends of the Children's Homes in Eastern North Carolina and the services we can render to children and their families, was launched last fall. The initial responses have been encouraging. Funds are being raised in Lenoir County for the W. C. Reed Memorial Gymnasium and plans are to have the dedication of this building on Sunday, November 7, 1971.

Foster homes in Eastern North Carolina now number sixteen with spaces for twenty-five children. Five years ago we had only one foster home in the Eastern area. This is encouraging growth. Additional foster homes are needed. This affords opportunity for meaningful and rewarding ministry for children and foster parents alike.

The purpose of the Children's Homes is to provide children loving care in the spirit of Christ. The pursuit of this basic goal has led the Homes to develop a variety of serivces, all family centered. Some children need resident care. For these we have group homes and foster homes. Some families can remain together with outside help and for those we have family services in the form of counseling or financial assistance. For the unmarried girl who is pregnant, we offer maternity care. For the graduate in our care, we assist in higher education. For churches involved in day care, nursery school education and kindergarten, we provide a demonstration program and consultation service. We welcome individual inquiries regarding any of these services as the need may arise.

Our services are made available in strategically located facilities throughout North Carolina; in the east at Kinston, Pembroke, Fayetteville and Raleigh; in the piedmont at Chapel Hill, Thomasville and Charlotte; in the west at Asheville and Waynesville.

Trustees, staff members and children of the Baptist Children's Homes are grateful for the harmonious relationship we share with North Carolina Baptist. The churches have expressed their confidence and support through increased Cooperative Program gifts and a 1970 Thanksgiving Offering of $380,000. Individuals continue to give generously and to become involved in our varied ministries. We accept this support as an investment in all that we are doing and we pledge ourselves to translate your investment into quality Christian child care.

Respectfully submitted,
Mrs. Catherine G. King, Representative

## THE BAPTIST HOSPITAL

With the ever-increasing population trend; the ever-increasing auto accident trend, and the ever-increasing "number of special" care medical requirements it is evident to each of us that we who have not had the need for hospital care recently are among the more fortunate. For this fact alone we should thank our Great God. Moreover, for the fact that we - we Baptist - have one of the world's best hospital facilities, we should thank our God. I would insist that each of us individually, and as an association, give more thought to the needs of this facility.

In 1970, your Baptist Hospital admitted 17,557 persons for a total of 150,174 days of care. In addition to those, there were 51,563 visits to outpatient clinics, including 17,241 to the Emergency Room. About 90% of these were "referral" patients - patients referred to our hospital by their local physicians because they needed the specialized medical care our hospital is staffed and equipped to offer.

From the day of its beginning in 1923 our hospital has provided good medical care for our people, including care for persons who cannot pay the cost. Along with great progress in medicine there has been a tremendous increase in hospital costs, and these have made some policy changes necessary in the past year. The basic policy of providing care, now the highly specialized care for the more difficult cases - for those who cannot pay - has not been changed. This Christian Ministry is - as it always has been - at the heart of the work of our Baptist Hospital.

A recent report indicates that the financial picture on the operations of the hospital is more encouraging. It has been operating in the black all this year, and a once large deficit has been significantly reduced. Therefore, the situation is viewed with "cautious optimism."

The Medicial Center Development Program is progressing on schedule. The new Patient Tower is expected to be ready for partial occupancy by late 1972. The 14 bed coronary care unit opened in September.

Baptist Hospital offers a ministry of healing in Christ's name to all who need it. It seeks to fulfill the same purpose in North Carolina that a Baptist Hospital operated by our Foreign Mission Board seeks to fulfill in Korea or Nigeria. It ought to be supported by missionary-minded Baptists with the same enthusiasm and for the same

reason we support every other phase of our World-Wide Mission Program. Through September of this year in our association we had 27 out of 38 churches contributing a total of $1,478.94.

Irven B. Hughes, Representative

## BROTHERHOOD

Interest has increased in the Brotherhood work during this year. One church has organized while another has reorganized its R.A.'s. Several other churches have expressed an interest in organizing a Baptist Men's group.

Your Associational Director attended three district training and planning meetings with state workers. He was invited to three churches during the year. This was a disappointment as he wished it to be 30 or more churches.

If I can be of any assistance in this new year please call on me.

Respectfully submitted,
Mitchell McCoy
Associational Brotherhood Dir.

## CHRISTIAN EDUCATION

Our interest lies in the seven North Carolina Baptist institutions of higher learning because they belong to our State Convention, because we pay a portion of their expenses, and because they meet an educational need for our region. The need, which could hardly be met without their existence, is to provide education beyond the high school level within the framework of Christian teaching. This is a demanding role requiring the financial, prayerful, and moral support of the Baptist Churches in North Carolina. The graduates of these schools have a continuing influence for good on the communities where they live. Most of them are living examples that Baptist colleges have not abandoned responsibility for the transmission of values as well as knowledge. The number of volunteers for vocational Christian service coming out of these schools fluctuates from year to year, but this is a result of recruitment in the churches. The colleges are soundly administered and staffed by competent faculties. They will serve us and our youth as well as we will allow them to.

John C. Dean, Representative

## CHURCH LIBRARY

"The function of the church library is to be the church's arm in furnishing and encouraging the use of materials of instruction, information and inspiration with a view of leading individuals toward Christian maturity". This statement was made to apply to the first Sunday School library and it applies equally to church libraries of today. As Wayne E. Todd, Secretary of the Church Library Department, has said, "Everyone will agree that the one basic need of the individuals is Christian maturity," but the approach made to training for Christian maturity has been altered by many factors and we, as Christian churches, need to use all methods of training that will help us lead individuals in achieving Christian maturity. We can and should use the church library as a program service for this purpose.

Since my last report to you, two other churches, Antioch and Woodburn First, have listed church libraries in their church letters, making a total now of nine church libraries operating in the Brunswick Association. This is good, but there are 29 of our churches with no church library. It is to be hoped that many of these will soon feel the need for this ministry and will begin to use this means for helping strengthen every organization or group in the church. Now is a good time to begin planning for this and National Library Week . In April would be a good time to set as your target date for opening a library in your church. Vacation Bible School time is also a good time to begin because of the emphasis that is placed on Reading Clubs during the schools.

But whatever the date it is possible for even the smallest church to have a library. Help is available from many sources. Call on our Associational Missionary and he will point out these sources. The establishment of a library in your church and its proper promotion will mean much to your church. A little time, a little money, a little space, and much interest and dedication can see your church establishing and using a library. There does not have to be an "ideal" situation before you can begin. God can use the smallest and the largest libraries for His glory.

Mrs. Susan S. Carson, Representative

## CHURCH MUSIC

In the field of Church Music we have had no association wide program for this past year. We are planning for state workers to assist in a school of music for the churches this year. If we can help you to organize a new group in any age bracket within your church, do call on us.

May we look very close at our church music and make our music an act of and a real part of our worship service. The Bible teaches us that music is or should be a very vital part of worship. Hymns should be used that induce worship rather than promote the idea of personal praise or to display ability.

May we sing God's praise.

Respectfully submitted,
Dennis R. Hewett, Representative

## CHURCH TRAINING

The associational Church Training "M" Night was held at Elah Baptist Church on November 30, 1970. There was a skit "Training to Witness" led by A. S. Knowles and other members of Supply Baptist Church. Special music was provided by the Elah choir. The message was brought by Macon M. Wood, pastor of Bethel Baptist Church.

On January 18, 19, and 20, 1971, we held an associational church training leadership conference led by state workers at Supply Baptist Church.

Youth Night was observed on March 20, 1971, at Bethel Baptist Church. Three students from Campbell College led in a most inspiring service.

The associational church training workers met on February 19, 1971, and planned an associational improvement clinic to be held at Supply Baptist Church on May 10, 11, and 14, 1971.

At present only 17 churches in the association report Church Training programs. We urge all the churches to take a serious look at the training program for their members future development. Our failure in this area will plague us in the years to come.

Respectfully submitted,
Leo Cannon, Church Training Director

## CONSTITUTION

The committee recommends the change in the constitution of the Brunswick Baptist Association as listed below:

Article XI, Paragraph E, now reads, "A representation of one-third (1/3) of the churches shall constitute a quorum". Change to read, "A representation of nine (9) churches shall constitute a quorum".

# DIRECTOR OF MISSIONS

It becomes my pleasure to once again thank you for another wonderful year's work in the Brunswick Baptist Association. Without the help, the aid of the prayers of each of you, and the presence and leadership of the Holy Spirit, it would have been impossible to have accomplished the task we have. Let us rejoice together and be thankful for the blessings which have been ours during the past associational year.

But the challenge becomes greater for every Christian as each new day dawns upon him. That same challenge comes to our Association, also. Therefore, having considered it our responsibility as Christians to share together in helping to lift the burdens from the souls of men who daily live in sin, programs of work have been instituted in our association which we know under the leadership of our Lord will be helpful in winning lost men unto the Lord.

Allow me to challenge you to a closer examination of our work. Lift your eyes unto the field. What do you see as a Christian? Is it all well? Is there no harvest? Is enough work being done? Has the Lord given us any cause to promote His Kingdom's work to a lesser degree? I believe not. Closer examination reveals to us that our dedication to the Lord and service for Him becomes greater. Thus we need as individuals and churches, to band together for the common cause of promoting the teachings of our Lord.

As we think in terms of promoting so great a work, may we realize that no one individual or no one church can do the work alone. Therefore, I ask each of you to prayerfully consider increasing your contribution to the Associational program for the coming year.

There is nothing like involvement, financial and otherwise, to make us more aware of the church, our association and its work. The greater our involvement, the more interested we become. Without active involvement of ourselves and our possessions we are more spectators than effective participants.

As certainly as day follows night the time has come to face the annual challenge of the church and the association. These are days of opportunity and we must face the challenge that is before us.

Your Missionary has experienced another full year of activities. We attended The Baptist State Convention, the Evangelism Conference, the State Vacation Bible School Clinic, the Southern Baptist Conference, a week of Missionary Conferences in Fruitland, Home Mission Week at Ridgecrest, Sunday School and Church Training week at Caswell, worked in two World Mission Conferences, conducted two revivals, helped to plan and attended all association meetings.

We also prepared and mailed a monthly news letter, led a one night Sunday School Conference in the Bladen Association. We answered several hundred correspondences outside the association, met with all associational committees, including the Nominating Committee and Committee on Committees, Calendar Committee, Budget and Program Committee in preparation for the new year. I have preached almost every Sunday once or twice and attended conferences and workshops led by our Baptist Convention Organizations and staff members.

There has been much progress made in our association during the past year. The Film Ministry at Ocean Isle Beach was very successful with approximately 1,000 people viewing the films. Among our churches, more building and expansion of present facilities and other means of modernizing has been done this year than any year in

the history of the association.

Friendship church added a new Educational Building; Boiling Spring Lakes, First added a new Educational Building; Bolivia Church added a new Educational Building; Mill Creek church added a new two story Educational building; Woodburn, First church is adding a new Educational Building. Southport church is enjoying a new two story Educational Plant; Supply moved into a new Church and Educational plant; Leland church is in the process of building a completely new Church and Educational plant in a new location. Elah is planning a new Educational plant. Antioch church finished a new Pastorium last December. We thank God for these accomplishments.

At present there are five pastorless churches in the association. They are Bolivia, Mount Pisgah, Boone's Neck, Prospect, and Old Shallotte. Let us be much in prayer for these churches.

The new pastors coming to us this year are - Rev. Alton Bridgers, to Mill Creek church, Rev. Ernest Poston, to Oak Island church, and Rev. Jimmy Rogers to Soldier Bay church, who has been in the association for some time.

Our office was moved from Supply to Shallotte, next door to the Missionary's home. One piece of equipment has been added in the office this year, a folding machine, which we are thankful for.

I shall not be elaborate on the work of the various organizations, since our Directors will be reporting. We are hopeful this year to accomplish more in areas that are lagging, such as Brotherhood and Music.

The important week of World Mission Conference, April 9-14, is anticipated to be one of the highlights of the year. We have twenty-three churches agreed to participate. May God Bless as we enter into the new associational year.

Please pray for your Missionary and all associational officers, each day.

Arthur R. Waisner
Director of Missions

## EVANGELISM

All Christians need to thank God for the renewed interest among youth in evangelism. This was evident during the Youth Evangelism Night this past February 2nd, when almost 20,000 youth and adults overflowed the Greensboro Coliseum and War Memorial. 1,519 decisions were made by these youth. Also many youth in churches across our state are involved in witnessing for Christ in unique ways.

There is tremendous interest in North Carolina and the entire Southern Baptist Convention in the new WIN materials on lay witnessing and the one week Lay Evangelism Schools. Over twenty-five associations have already started specific planning toward a one week Lay Evangelism School in their area. Jesus reminded all Christian laymen of our task in Luke 24:48 - "And ye are witnesses of these things." Thousands of laymen and youth will respond if they are properly challenged and trained.

The 26th Statewide Evangelism Conference will be February 7-9, 1972 at the Cumberland County Memorial Auditorium in Fayetteville.

The next Statewide Youth Evangelism Night will be on Friday evening, August 18, 1972 at Greensboro Coliseum.

Let's bring Evangelism close home to the Brunswick Baptist Association. Our Evangelistic Conference was held on Friday, November 6, 1970 at Calabash, First Baptist Church. The program consisted of worship in prayer and testimonials and a fellowship supper followed by a worship service, with the Rev. Astor L. McGee, pastor of Calvary church, Wilmington, bringing the message. Many of our pastors and deacons attended this conference. This meeting was a spiritual highlight in our association.

Our Evangelism work this year is getting off with a good start. A number of churches have had or are having revivals with good results reported.

Our Clinic will be held at Supply Baptist Church on November 5,1971 with the Rev. E.W. Pate of Wilmington, bringing the message.

Remember to pray earnestly for the non-Christians in North Carolina and around the world that through our efforts together the Holy Spirit may lead many persons to commit their lives to Jesus Christ.

Respectfully submitted,
C.L. Turner, Chmn. Evangelism

## GENERAL BOARD

Your General Board member reports to the association on the affairs of the Baptist State Convention for the past year. This was my second term on the General Board. I was assigned to the Missions Committee for the second year.

The General Board met on Tuesday, January 26, in the dinning room of Meredith College. After an excellent meal, Reverend Hoke Coon, Jr., brought the devotional message on the topic, "Just Commencing".

The General Secretary explained the organization of the General Board. Then followed the election of officers. Mr. James Cammack was elected president, Mr. John Lewis, Vice-president and Mrs. Charles Hellard as secretary.

The Wednesday morning, January 27, meeting was held in the chapel of the Baptist Building. We heard a report on committee elections. Committee reports were heard and passed on.

The General Board met at Chowan College, June 22-23. Dr. Perry Crouch presented the financial report in the absence of Mr. Leon Spencer, comptroller. Attention was called to the Cooperative Program receipts, which were 6% above last year. All committees gave their reports.

The October meeting was held at Camp Munda Vista, October 12-13. The budget to be presented to the State Convention was passed on.

Respectfully submitted,
D.G. Thomas, General Board Member

## INTERRACIAL COOPERATION

1971 has been a good year for work accomplished in the Institutes and Vacation Bible Schools. The three week associational institute at Mount Zion Church, Longwood had an enrolment of 34 children with an average attendance of 29. The largest,

Pleasant View Church, Grissettown had an enrolment of 75. There were boys and girls from over in South Carolina attending this school. Institutes were held at Cedar Grove and Little Prong churches.

Four Bible Schools were held in Brunswick in addition to the school taught at the Riegelwood, First Baptist, Armour, Columbus county.

One class spokesman said, "We feel that we have a deeper feeling for our church, a better relationship with our pastor and a better understanding of our parents." The books, "Youth Asks What's Life For", and "Youth Considers Parents As People" were taught.

The youth of today are seeking Bible answers to todays problems. If we will listen and make an honest effort to help them, they are ready and eager to listen and to search the scriptures as a guide to daily living. A young girl said, "It is so good to find someone who will try to understand." Another wrote about life saying, "Life is for living to the best of our ability for God and our fellow man, to love the Lord and glorify God." Could you give a better definition?

"After this I behold, and, lo, a great multitude, which no man could number, of all nations, and kindreds, and people, and tongues, stood before the throne and before the Lamb", Revelation 7:9. If we do not believe this we have missed the message. For God has made of one Blood, all nations.

Respectfully submitted,
Mrs. Dewey Robbins, Representative

## MISSIONS COMMITTEE

The Associational Missions Committee held all its quarterly meetings during the year. The work of the association was discussed and plans made to project better ways of serving our churches.

Conferences were held during each executive meeting, with opportunity for anyone who wished to attend and join in discussion.

A recommendation was made to the executive committee that the associational office be moved to Shallotte, next door to the Director of Missions home. The recommendation carried and the office was moved. Everyone seems to be very pleased with the arrangement.

A second recommendation was made to the executive committee that the association sponsor a World Mission Conference (School of Missions) to be held April 9-14, 1972. This recommendation carried and 23 churches have agreed to participate in this World Mission emphasis. We are hopeful that the churches which are not participating will attend services in other churches. You will hear Foreign, Home, State and Associational Missionaries.

We feel that this has been a very prosperous year in our association. The churches are growing and expanding their facilities and this is good.

If the Missions Committee can be of help to you or your church, please call upon us at any time.

## NORTH CAROLINA BAPTIST ASSEMBLIES

Another year has slipped by and we ask ourselves the question, "How much of it was spent in preparing for and engaging in ministries for Jesus' sake?"

Only one person from Brunswick Association registered at our North Carolina Baptist Assembly at Caswell this year. Total registration was 13,911. More than double the amount in 1961 with 6,554. The two youth weeks were the largest with 1,017 and 1,020. Youth are getting hungry for the truth and God is blessing them mightily. The scripture says, "Ye shall know the truth and the truth shall make you free." Jn. 8:32.

Fruitland Bible School was hard hit by fire, destroying one of the main buildings. They covet our prayers and support.

Myself and several other WMU officers attended WMU workshop at Camp Mundo Vista, our WMU camp at Ashboro. Camp Caraway, the Brotherhood Camp is located there also. The Spirit of God is so sweet there and His presence so real. Thousands of our boys and girls found something real, someone they could always count on, someone who would never never leave them or never let them down; Jesus Christ, who is the same yesterday, today, and forever. Many of our boys and girls could not go to camp due to lack of space. There is a need for another or more camps in other locations. I pray God will meet this need in the near future.

We can not change last year's things left undone but I urge each of us to determine to spend more time with God and more time for God during the days ahead than ever before. We need Jesus more than ever before and the world needs Jesus more than ever before. Today is the first day of the rest of our lives, how much will be utilized for God?

If you need questions answered or information, Mr. Fred Smith, assembly manager, would be happy to assist you. Telephone 278-5495.

## NORTH CAROLINA BAPTIST FOUNDATION, INC.

The North Carolina Baptist Foundation, Inc., was organized in 1920. It has a fifteen-member Board of Directors elected by the Baptist State Convention. The policies and procedures of the Foundation and the support of the same is in the hands of the Baptist State Convention of North Carolina. In other words, this is your Foundation, and you should know more about its services and activities.

During the past twelve months, the Foundation has had a gradual growth, in that several individuals and churches have made contracts with the Foundation to accomplish specific purposes such as: supporting an agency or institution of the Baptist State Convention, the Southern Baptist Convention, and world-wide objects. In one or two instances, individuals through their wills have added to existing memorials that were established during the lifetime of the donor. The Foundation stands ready to render services to individuals and churches as their requests are made known. We wish to serve you.

Respectfully submitted,
Earl L. Caldwell, Representative

## NORTH CAROLINA BAPTIST HOMES FOR THE AGING

Our North Carolina Baptist Homes for the Aging celebrated their 20th anniversary in March of this year. During these two decades, the story of our Homes has been one of faith and the abundant blessings of God upon this special ministry to older people. God has brought us from one Home, and one resident in 1951, to five Homes and a Nursing Care Unit, with total accommodations for 160 residents and 76 patients. Two of these Homes, Resthaven and the Hayes Home, and the Nursing Care Unit are located in Winston-Salem, and the other three Homes are located in Albemarle, Hamilton, and Yanceyville. In these Homes, our residents are loved, and we feel that there is no greater security that they could have and no better care that they could receive.

The past year has been one of the best ever, and we are rejoicing in the blessings that have come from God through our Baptist people. Support for the Homes from the churches, through the Cooperative Program and the Special Day Offering, has been most encouraging. For the last three years, the Homes have had an alarming deficit and have operated in the red. We have not yet reached the point of operating in the black, but let us say, with hopeful optimism, that we are approaching this time. The deepened concern of our Baptist People and the increase in gifts have been strong contributing factors to the success of the past year.

At least 80% of the people who live in our Baptist Homes are financially needy persons and benefit directly from the love gifts of North Carolina Baptists. They simply could not be maintained, and the Homes could not be operated without the Special Offering, designated gifts from the churches, and the Cooperative Program. We would urge our Baptist people, therefore, to remember how dependent these dear older people are on them and would challenge them to give more liberally than ever and to see that their gifts are a real life line in the on-going of this ministry.

Of unusual interest during the past year has been the construction of the new addition to the Nursing Care Unit in Winston-Salem. It is anticipated that this new facility will be ready for occupancy by September 1. It will make available 20 additional beds and bring the total capacity of the Nursing Care Unit to 76. This addition was made possible by the generous challenge gift of $80,000.00 from Judge and Mrs. William York, of Greensboro. The trustees accepted the challenge and raised an additional $80,000.00.

Pray for your Baptist Homes for the Aging and remember that any ministry to an older person in the name of Christ is a direct ministry to Him.

## RELIGIOUS LITERATURE

At a time when some religious publications are losing circulation, it is good to report that the BIBLICAL RECORDER has passed 93,000 - the highest circulation in its 138-year history. This circulation is a tribute to the Baptists of North Carolina who support the paper so faithfully.

Even though inflation continues to create problems, you can receive the RECORDER under the Church Budget Plan for the same price it was in 1960 - only $2.00 a year. It is not known how long this reasonable price can be made available and that is all the more reason churches should enlist immediately.

The RECORDER likes to report all the good news it can about Baptists. The paper is proud to be the instrument that communicates to the world what our denomination is doing. When evil needs to be exposed, however, the RECORDER does not shun it. This was evidenced again in the legislature this year as the liquor forces managed only small gains. And these may turn out to be unconstitutional. We are referring to the local liquor by the drink elections in Moore and Mecklenburg Counties. The RECORDER stresses Christian citizenship. Perhaps this is one reason the paper continues to reach more and more people - it stands for something.

The RECORDER appreciates every reader and supporter. The cost is reasonable. You can receive the RECORDER under the Church Budget Plan for only 4¢ a week - half the cost of mailing a letter. There is no more economical way to have an informed membership than by sending the RECORDER to every family.

Tom H. Williams, Representative

## SUNDAY SCHOOL

The year 1970-1971 was a very wonderful year in the Sunday Schools across the Brunswick Baptist Association. For during the first planning meeting we set forth our goals in our Sunday Schools for the church year.

The information that has been received by your Associational Sunday School Director indicates that real spiritual and physical growth experiences have taken place in our churches. May we call your attention to the total Sunday School enrollments for the past four years: 1967-3,849; 1968-3,942; 1969-3,823; 1970-4,051. Let us do even better this coming year to the Glory of God.

During the past year we have made wonderful progress in the training of our teachers... they have become better teachers through careful planning, prayerful study of God's Word, and in meaningful preparation in their teaching efforts. We feel that this is due to the people of our churches having a willingness to serve the Lord at all costs.

Two of the Sunday School highlights of the past year were:

1. "SUNDAY SCHOOL DISCOVERY"
   Supply Baptist Church, November 13, 1970
   Speaker: Truette Rogers, pastor of Antioch Baptist Church.
2. "SUNDAY SCHOOL ACTION NIGHT"
   Calvary Baptist Church, April 19, 1971
   Speaker: Burrel Lucas, State Convention, Sunday School Department.

May I as your Sunday School Director challenge you with the help of our Lord to do greater things for Him in our Sunday Schools in the coming year. Pray with me that the Lord will bless our Sunday School preparation and planning to His honor and glory.

Respectfully submitted,
Charles R. Glisson
Associational Sunday School Director

## VACATION BIBLE SCHOOL

Many people question if there is any good coming from our Vacation Bible Schools. Well, I think so for our children are not receiving enough Bible teaching in the Sunday Schools; let alone in the home. We live in a day when there needs to be real Bible instruction given to our children.

Some say, "It sure is going to cost for Vacation Bible School this year." This is very true, but anything worth something is going to cost you. And, I believe that we could spend our money in no better way than on our children in trying to lead them to Jesus Christ.

Many that came to the schools this year never enter the church doors for Sunday School or other services. Yet we reached many of these boys and girls with some Bible instruction.

We had many good schools in the association. There were 29 churches that reported schools. There were five, ten day schools, with the rest scheduled for five days. Four Mission Schools were held: Davis Chapel, Zion Hill, Bethlehem, and Pleasant Grove.

There was a grand school enrollment of 2,028 children. The cost, give or take a few dollars was $2,454. Our mission offering came to $794 dollars. This is good, but we can do better if all churches would hold a Vacation Bible School. There is not a church within the association that could not have a school. Leadership, Finance - these items are no excuses at all. There are workers in the association that stand ready to help you and your church. Materials can be used from church to church if the weeks are scheduled right. There is no field of work that cannot have 20, 30, 50 or more boys and girls for a Vacation Bible School. You are never too small to have a school.

This year we had 26 professions of faith in Jesus Christ. These are worth all the time, money, and all that was said and done this year in our association. May God be praised for these lives as they seek to live a Christian life for Him.

Vacation Bible School is important and needs to be pushed in all of our churches.

Respectfully submitted,
Macon M. Wood, Director

## WOMEN'S MISSIONARY UNION

The association in Baptist life is an autonomous body, a voluntary fellowship in a limited geographical area, doing things cooperatively to support the churches in their work. For us, this area is Brunswick County with its 38 cooperating Baptist churches.

The focus of associational work is always the local church and the attention of your Associational WMU Council is focused on helping the local church accomplish the tasks of the WMU program of the church. These tasks can be simply stated as to teach missions, to engage in mission action, to support world missions through praying and giving, and to provide and interpret information regarding the work of the church and denomination.

We have sought to help by providing opportunties for fellowship and inspiration, by interpreting the WMU program by training church WMU leaders and members, by consulting with church leaders concerning the WMU program, and by conducting cooperative WMU work.

In October of last year as we began our WMU work, we worked closely with Mr. Fred Smith of Caswell Assembly and served as hostesses for the first day of the annual

associational meeting. On October 29 all six manuals were taught at Antioch Church with 11 churches represented and 39 women present. Much enthusiasm for the year ahead was shown at this conference.

In November Mrs. Sallie MacCallum of Wilmington taught the adult book of the Foreign Mission series at the Southport Church. Again 11 churches were represented and 75 women present. Mrs. Bryan Smith of our own WMU Council taught this book in several of the churches and all the churches with a Baptist Women's organization were reached. The same held true with the Adult book of the Home Mission series. Mission study for the other age-level groups was done mostly as a part of their regular meetings.

One of the special events of the year took place in November at the Southport Church as the annual Mission Banquet for Pastors and Directors was held. Our State WMU Executive Secretary, Miss Sara Ann Hobbs, was the featured speaker. Sixty-five people attended from 18 churches.

In March seven of our churches sent representatives to the State WMU meeting in Fayetteville. Also in March a problem-solving clinic was held at Supply Church. In spite of extremely bad weather, 29 women from 11 churches came to the clinic to share problems and solutions.

The other highlight of our year took place on April 15 as our Annual Session was held at Calvary Church with the Rev. and Mrs. Troy Bennett, on furlough from Pakistan, as our guest missionaries. Approximately 159 men, women and young people from 20 churches were thrilled by their messages.

During the year the WMU's from several of our churches took part in what we call "Operation Payoff", with Elah, Woodburn and Supply churches reaching the state goal of at least one dollar per WMU member. This is an effort by women of North Carolina to pay off the debt on the WMU Camp known as Mundo Vista. Each year this camp exerts a spiritual impact on the lives of at least 2,000 girls. Many are won to the Lord here.

In August two members of our WMU Council, Mrs. Price and Mrs. Carson, gave a program on associational missions at Oak Island Church during the Week of Prayer for associational missions. Also in August, the WMU Council entertained the pastors and other associational leaders at a birthday party for our Associational Director of Missions, Arthur R. Waisner.

In September the members of your WMU Council attended the State Workshop at Munda Vista to prepare ourselves for the new church year. More than ever before at this workshop we were led closer to the Lord as we shared in prayer experiences and training.

Although scheduled to take place at Caswell, because of the Oak Island bridge problem, our GA Day Camp had to be postponed until October 9. More than 125 girls gathered at Town Creek Church that day to enjoy the day camping experiences under the direction of Mrs. C.O. Bennett and Mrs. Helen Lewis.

Thus, what we determined to be the needs of the churches has determined the course of action which we followed, and it is our purpose for the coming year that the needs of the local churches shall again determine our course of action. We shall count on you to advise us of the needs of your church as to its WMU program. Sixteen of our churches do not yet have a WMU program. We hope that many of these can be reached during the 1971-72 church year. We must continue the missions tasks in our Baptist churches if they are to remain missionary in spirit as well as in name.

Respectfully submitted,
Mrs. Susan S. Carson, Associational WMU Director

## ANTIOCH BAPTIST CHURCH, 1867-1971

Sometime in the year of 1867, the late Rev. John P. Lennon and a small group of people met in a school building near the mid-way intersection. The purpose of this meeting was to organize a Baptist Church. The group chose for themselves the name Antioch Missionary Baptist Church. The church was a member of the Cape Fear Association, 1868-69; of Cape Fear Columbus Association, 1889 and was received into the Brunswick Baptist Association in 1900.

The first church building was a wood rectangular structure with 4 classrooms, bell, belfry and a seating capacity of 200. It was dedicated in 1890 and rebuilt in 1937.

The first resident clergyman was Rev. J.P. Lennon who served from 1869-71. The charter members were, Mr. and Mrs. Robert Woodside, Mr. and Mrs. J.W. Woodside, Mr. and Mrs. J.H. Smith, Mr. J.H. Roberts and Mr. David Smith. The church has reported a Sunday School since 1869 and a W.M.U. since 1900.

Statistics show a membership of 8 in 1868; 29 in 1884; 52 in 1895; 90 in 1910; 107 in 1930; 163 in 1938 and 239 in 1951.

The site of the present building was given by the late Absalom Ward, grandfather of Carl S. Ward, Sr. The main part of the present building was built in 1943-44. During this time the church went from one fourth to one half time services.

In 1948-49 a pastorium was built and the church went on full time services.

In 1961, a beautiful new educational building, consisting of 14 classrooms, 2 bathrooms, a large modern kitchen and a fellowship hall, was added to the existing building.

In 1970, the church called Rev. Truette Rogers as pastor. During that year a beautiful new all electric, brick pastorium was built to replace the old wooden one. A church library was also started.

As 1971 draws to a close, we have 179 resident members and 114 non-resident members. Our church property is valued at $95,000.00.

This is only a short resume of events, people, etc., that has occurred over the past

hundred years. For the many dear ones who have gone on to a greater life beyond, we dedicate this short history, to their memory.

God has blessed our church in so many ways. As this new church year begins, our prayer is, May God Bless us even more and all of our sister churches in the association.

ENTER TO WORSHIP DEPART TO SERVE

SOUTHPORT BAPTIST CHURCH 1871-1971

A little group of Baptists in the town of Smithville began thinking seriously of building a house of worship and organizing themselves into a church. The group, for the most part, were members at the Bethel Baptist Church located several miles from Smithville and felt that they should have a place of worship nearer their homes. For quite some time prior to 1871 they had been meeting in the homes. Later as their numbers grew they began meeting in the courthouse.

Money was scarce and living conditions at a low ebb but faith and love for God were strong in their hearts and so the work of building the "neat and comfortable house of worship" on a lot on the corner of Howe and Nash streets in Franklin Square, and facing on Nash Street, was begun, with John L. Wescott furnishing most of the money in the sum of about $1,200 and also a part of the labor. The building was commenced March 14, 1871.

Sunday, September 17, 1871 the Rev. S.W. Wescott, a local man, preached the first sermon in the church, using as his text: Luke 13:3 "I tell you nay, but except ye repent ye shall likewise perish."

The First Baptist Church of Wilmington which was then 38 years old seems to have taken quite an interest in the Smithville Church. One of her deacons, George R. French, gave the bell to the church and another, Philip Heinsberger, Sr., gave the first minute book. Their pastor, the Rev. J.C. Hiden, preached the dedication sermon on Sunday,

September 24, 1871. There were no further services in the church building until December 23, 1871.

In April 1876, thirteen members of Bethel Baptist Church were given letters of dismission for "the purpose of constituting a church of the same faith and order in the Town of Smithville." These names, along with others make up the 17 charter members of this church. The Rev. J.B. Taylor of the First Baptist Church of Wilmington with two of their deacons, George R. French and Joseph B. Taylor, came for the organization and Brother French acted as moderator.

By 1892 the church now Southport Baptist Church (renamed in 1887) was seeking a regular pastor. The minutes of September 22, 1892, recorded that the Committee on Pastoral Relations reported that they were recommending that the Rev. J.H. Hildreth of Wilmington be called as pastor with the understanding that he make Southport his home. He was expected to preach half time with his salary to be $150.00 per year.

Not only was there continued material growth during this period, but spiritual growth as well with many baptisms being reported in the minutes. Great care was taken to maintain church discipline, with committees often being appointed to seek out those who had "departed from the faith" and to work for their reconciliation. If these efforts failed then the members were excluded from the church membership. The minutes in 1895 show that the church contributed to State, Foreign and Home Missions, to the Orphanages and to the Old Ministers Relief fund.

Church records from 1902-1915 are missing. However, the 1905 Brunswick Baptist Association minutes list the church as composed of 111 members. Early in this period the WMU was organized. Mrs. J.J. Laughlin moved to Southport and became active in WMU work. She was instrumental in forming other WMU organizations in the association. The church seems to have kept step with the SBC, especially as the various organizations came into being.

In the early part of the century the parsonage was built. Mr. J.L. Jenkins who was serving as interim pastor and later as pastor was ordained by the church. In 1917 as war clouds began to gather rapidly, the Army personnel stationed at Fort Caswell across the bay increased in number and many of the young men began attending the services of this church.

It was during the ministry of the Rev. A.L. Turner in 1928 that the church building was turned around to face on Howe Street. Next, war came suddenly on Sunday, December 7, 1941, saddening all of us. The church immediately began plans for ministering to service men, both from the local church and those stationed nearby.

In 1948 the decision was made to remodel and enlarge the existing building. On November 25, 1948 - Thanksgiving Day - the first service was held in the newly enlarged and remodeled building. It was truly a day of great thanksgiving and rejoicing among the membership.

This seems to have marked the beginning of a new era. The Unified Budget system was adopted as was the rotating system of deacons, and for the first time women were ordained as deacons. The Sunday School was completely departmentalized. Vacation Bible School work increased in effectiveness each year. In February 1953, one of our members, Mrs. M.T. McRackan, daughter of a former pastor, the Rev. Braxton Craig, became Associational Missionary for the Brunswick Association and served in that capacity until her resignation in 1965.

In the early 1950's our church library program was set up and in 1955 the first church constitution was adopted. The same year S. Bunn Frink and Davis Herring, local attorneys gave to the church several lots on which to build a new parsonage.

A Building Committee and a Finance Committee were appointed and on September 1, 1957, open house for the new parsonage was held.

In 1959, Mr. E.F. Middleton, developer of Long Beach, gave the church two lots at Long Beach for the establishment of a church there and immediately plans were begun for this purpose. With the aid of State Missions the church known as Oak Island Baptist Church was started as a mission of our church.

The years between 1960 and 1965 found us busy with local affairs and increasing our gifts to Home and Foreign Missions as well as to Associational Missions. Sunday School attendance continued to increase and again we began to feel the urgent need for more space and a Building Committee was appointed. We have now completed the construction of the first phase of the proposed new Educational Building. Church membership in 1971 totals 438 with the value of church property at $260,000. However, much work must yet be done to our buildings; more leaders must be trained; more people must be won to the Lord, and new ways must be devised for ministering to this community in this Space Age in which we live.

## ALCOHOL AND DRUGS

In 1970, the world drank almost 1.6 billion gallons of beer. This is double the consumption of 20 years ago, but only half of what it is expected to be ten years hence. This is not accounting for the Wine, Vodka, and Distilled Spirits made and sold the world over.

Alcohol is America's number one drug problem with 18 million alcohol addicts and dependent drinkers of legal alcohol drink. 80 million Americans drink alcohol beverages in varying degrees. 22 billion dollars are spent annually for legal Beer Wine, Vodka and Distilled Spirits. Legal alcohol is heavily involved in murder suicide, and most other crime. American business alone loses 4 billion dollars annually because of accidents, errors, and absenteeism caused by alcoholism

Compare these statistics with .5 million daily users of Marijuana with 800 million dollars spent yearly to purchase the drug. Estimates run .5 to 1 million Heroin addicts with 10% of major crimes due to the use of Heroin.

Foremost in opposition to the rising tide of legalize alcohol within North Carolina is the Christian Action League. A tally of the receipts from the 1971-1972 annual financial statement will reveal the extent that North Carolina Baptist particpate in the League:

| Receipts | |
|---|---|
| Baptist State Convention of N. C. | 10, 500. 00 |
| W. N. C. of the United Methodist Church | 1, 500. 00 |
| Baptist Churches | 8, 546. 74 |
| Individuals | 680. 23 |
| The Wesleyan Church, North Carolina District | 300. 00 |
| W. N. C. Pentecostal Holiness Church | 100. 00 |
| Presbyterian Churches | 100. 00 |
| Free Will Baptist Churches | 140. 00 |
| Methodist Churches | 295. 00 |
| Other Organizations | 282. 00 |
| Sales Tax Refund (State of N. C. ) | 241. 14 |
| Designations for expenses in Moore-Mecklenburg election campaigns on Liquor-by-the-Drink | 9, 296. 28 |
| TOTAL | 31, 981. 45 |

In addition many of the League officers are Baptist. This includes five members of the Executive Board; the President, Rev. Coy Privette; the Treasurer, Leon Spencer; and the Publicity Director, J. Marse Grant.

At the annual meeting of the Trustees of the League in Raleigh in April a proposed set of Legislative Proposals in Relation to Highway Safety were adopted. These proposals are listed below:

1. An implied consent law with the loopholes removed.
2. The repeal of Senate Bill 110 in regards to issuing limited driving permits to persons who have been convicted of the first offense of driving under the influence.
3. Modify the present implied consent laws that require law enforcement officers to charge or arrest the offender for driving under the influence prior to requesting a chemical test.
4. Increase the minimum penalties for those convicted for driving under the influence, and especially for repeaters.
5. To make it a misdemeanor for driving when the Breathlyzer reads between .05 and .10.

These legislative proposals were presented to the Highway Safety Sub-Commit--Committee of the Legislative Research Commission. At this meeting they were endorsed in their entirety by Colonel Edwin Guy, the Commander of the North Carolina Highway Patrol.

The League urges you to discuss these proposals with the members of the House and Senate from your district. Ask for support of these proposals in the 1973 General Assembly.

Finally, remember the work of the League with your prayers and financial support.

Then use your influence in the Ballot Box and within your local community in the fight against Alcohol America's Number ONE Drug Problem.

## AMERICAN BIBLE SOCIETY

The Lord Jesus Christ said: "Search the Scriptures, for in them ye think ye have eternal life; and they speak of me."

Toward this end, the American Bible Society serves as an active partner of Southern Baptist in the missionary task of sharing Christ with the whole world - a task which calls for the widest possible distribution of the Scriptures. The Bible speaks to the heart of man. And it is the sole purpose of your American Bible Society to provide this book to men, women, and children, everywhere, in language they can understand and at a price they can afford.

In the interest of making God's Word more easily understood, the Bible Society is presently engaged in a top-priority project, the translation of the Bible into everyday speech for the major languages, plus many key secondary languages and dialects. Nearly 50 projects now exist, involving languages and dialects spoken by more than 70% of the world's population.

At the present time, 97% of the world's population can secure at least a portion (a single book) in their own language and approximately 3,000 translators are presently at work on some six hundred new translations and revisions. At the close of 1971, at least one Book of the Bible had been published in 1,457 languages and dialects, the complete Bible in 253.

Southern Baptist consider the American Bible Society an essential part of their own world-wide mission program and believe in the missionary importance of giving to the Society. They have given tangible expression to this belief by commending the work of the Society through resolutions adopted at State Conventions and by the Southern Baptist Convention; and by gifts averaging $230,000 annually - a per capita average of slightly more than TWO CENTS per member. It does not take a genius in math to see at a glance that this is not consistent with our expressed convictions.

We can correct this inconsistency by stressing participation of every church in this worthwhile program. If every Pastor, every WMU Leader, every Brotherhood Worker, every Sunday School and Church Training Director will lay the burden of our need to "make Him known" through His own Word, the Scriptures, we can increase our giving, and through this ultimately reap the rewards of souls brought to Christ.

In order to expedite the handling of gifts to the Society, please send gifts from your church to your Baptist State Convention office, marked "for the American Bible Society."

Ernest Poston, Jr., Representative

## ANNUITY BOARD

The Annuity Board offers a protective plan for disability, retirement, and death to cover every pastor, church staff member, and denominational agency employee. Many churches help by paying in full the dues for their pastor and staff. Retirement contributions may be made on full salaries of pastors and other personnel by taking advantage of Plan B and Plan C as well as Plan A. Information on the Annuity Board may be secured by writing its Development Office, 511 North Akard Building, Dallas, Texas; or by contacting the Annuity Board representative of your Baptist State Convention.

Darold H. Morgan took office as president of the Annuity Board of the Southern Baptist Convention on March 1, 1972. He suceeds R. Alton Reed, chief executive officer of the Board for 19 years. During the administration of R. Alton Reed, the Annuity Board eliminated its "unfunded liability" which means that potential claims for benefits exceeded assets. The Board is now in a position not only to fully meet every outstanding contract with members, but to grant "Good Expereince Credit" as well.

The Board in its 54 years of existence has paid out benefits that total $92.1 million dollars, including over $10 million dollars during 1971.

The Brunswick Baptist Association and 19 of its churches are participating in the Annuity Board Programs.

## AUDITING COMMITTEE

The Audit Committee met with the Associational Treasurer, Miss Ruth Galloway, October 12, 1972 and examined the financial records for the fiscal year 1971-72.

We began with the balance at the beginning of the year, checked the receipts against disbursements, tied them in with the bank statements, and arrived at the balance as shown September 30, 1972.

It is our opinion that the financial records of the Association are in good condition. We found the records were kept in a neat, detailed, and orderly manner.

We are indeed grateful to Miss Galloway for the fine job she is doing.

## BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA, INC.

For the past eighty-seven years, North Carolina Baptist and their Children's Homes have cooperated in a program of Christian child care. The Homes have been sensitive to human need and have provided children with quality care. North Caro-

lina Baptists have given generous and enthusiastic support to their child care ministry.

The agency is vigorously pursuing its basic purposes. Changing conditions which are affecting American life today are determining factors in the number of children needing our care and the types of care that are needed. More and more we are being asked to serve children with special needs beyond neglect and dependency. The urgency of the present and the challenge of the future is to find effective patterns of care for these children.

The Children's Homes continues to expand and improve its services to children and their families. Two new cottages are under construction at Broyhill Home. Mills Home is engaged in a year-long study to determine how we can best serve the children in the Piedmont Area. The Ten Star Builders' Program is enlisting the support of Eastern North Carolina for Christian child care in our area. Across the state, renewed effort is being given to the enlistment of foster families. Expanded services to families are being initiated.

One of the major tasks confronting our work in Eastern North Carolina is the upgrading of our campus facilities to meet minimum standards for licensing our child care program. Most of our older buildings at Kennedy Home will require extensive and expensive renovation to meet these standards. Some buildings may have to be completely replaced with new structures. To meet this urgent need, we ask our Baptist friends in Eastern North Carolina to give serious and prayerful thought to increased support for operating expenses and special bequests and donations for capital improvements.

We believe this ministry of child care deserves the confidence and support of North Carolina Baptists. Our Baptist friends have demonstrated through their interest and support that they believe in what we are doing. The Cooperative Program continues to be the life-blood of our financial support. The 1971 Thanksgiving Offering channeled $400,000.00 into our ministry of child care. Special gifts and bequests from individuals continue to provide for capital improvements. We deeply appreciate this generous support, and we pledge ourselves to continue this ministry of child care in the name of Christ and on the behalf of North Carolina Baptists.

Respectfully submitted,
Mrs. Catherine G. King, Representative

## THE BAPTIST HOSPITAL

Perhaps you have never considered this, but our Baptist Hospital at Winston-Salem is primarily a "referral" hospital. About 90% of its patients are referred to it by local physicians because the local hospitals do not have the specialized medical personnel and equipment to treat the rare and complicated medical problems. It can be seen therefore that the destinctiveness of Baptist Hospital's ministry lies not alone in its care for charity patients, but in the specialized services it readers to all its patients and to people throughout the state, nation and world.

As an academic medical center our hospital is engaged in research and in education as well as patient care. The educational ministry has world wide influence, since graduates of the Bowman Gray School of Medicine serve in 88 counties of North Carolina, in 47 states and the District of Columbia, and in 25 different countries.

The quality of direct patient care provided at Baptist Hospital is destinct in two respects: First, it is a specialized medical care, provided for those referral patients with rare and complicated problems. With highly-skilled specialist and the elaborate equipment for diagnosis and treatment, our Baptist Hospital is one of 108 such centers in the United States. Second: The Christian concern for the total person with all his needs. This spirit is found among nurses, physicians, aides, and other personnel throughout the center. The Department of Pastoral Care seeks to minister to the spiritual and emotional needs of patients and their families.

There is of course the continued service for those who cannot pay. In 1971 charitable allowances amounting to $1,370,000 were issued to persons unable to pay in full. The Mother's Day Offering of $371,000 helped make this work possible. The hospital takes pride in its record of charitable work, but would like to help our Baptist people to understand that there are other aspects of its work also which justify its existence as an institution of our Convention and make it worthy of our support. The operating deficit has been eliminated and the hospital is now operating in the black.

Occupancy of the new patient tower should take place in January of 1973. A new unit housing the emergency room and out-patient clinic should be completed in 1973. This will conclude the present development program.

Respectfully submitted,
Ivren B. Hughes, Representative

# CHRISTIAN HIGHER EDUCATION

## OUR COMMON GOAL

Together we seek to provide opportunities for students to seek Truth in an atmos phere of freedom, guided by persons who are committed to God as He is revealed i Jesus Christ. This ideal always exceeds our grasp. However, it is the ever-preser goal toward which we strive. The prayers and active support of North Carolina Bap tists are necessary ingredients in helping the actual and the ideal to move mor closely together.

## COOPERATIVE PROGRAM

The Baptist colleges in North Carolina continue to be grateful for the vital finan cial support which comes through the Cooperative Program. Outside of student charg es, the Cooperative Program is the largest financial source of annual income fc our colleges. During the past year, the seven North Carolina Baptist colleges re ceived $1,924,000 dollars through the Cooperative Program.

## BAPTIST COLLEGE SCHOLARSHIP OFFERING DAY

One way our churches can help to relieve the financial burden of our schools through participation in the Baptist College Scholarship Offering Day-(Father's Da Offering). Other churches prefer to include this as a regularly budgeted item. W urge more of our churches to enter into this investment in our youth.

## HIGHLIGHTS OF THE PAST YEAR

Dr. John E. Weems became the sixth president of Meredith College. He was forn erly Vice President for Finance and Administration of Middle Tennessee State Unive sity.

Gardner-Webb College received accreditation as a four-year college by the Soutl ern Association of Colleges and Schools.

Seventy young men and women from seven Baptist colleges worked in church across North Carolina through the Baptist Youth Corps program. Their salaries a paid jointly by the colleges and the churches.

The inclusive enrollment of the seven North Carolina Baptist colleges during the past academic year was 16,609.

## CHURCH LIBRARY

"Living the Spirit of Christ in Faith and Conquest", the theme of Southern Baptists for the church year just now beginning, has many implications. For us as Christians it means developing and living a deeper Christian life that results in an eagerness to share our faith with others. For the non-Christian it means opportunities to hear, understand, and respond to the good news of the gospel - if we as Christians do our part in incorporating the chosen theme into our lives.

Each church can and should, through a church library ministry, find many ways to make this theme a reality in the lives of its members and those it seeks to reach for Christ.

The church library can and should contain helps on worship, in-depth Bible study, teacher and leader training, for use in visitation and witnessing, family life education, the right use of leisure time and vocational guidance; and these helps can and should be used in every way possible to strengthen the ministry and outreach efforts of the church.

Our last Associational Minutes reported thirty-eight churches, but only six church libraries. The year before nine libraries were reported. Surely this must mean oversight in reporting and not that three churches dropped their library ministry.

Once again I would challenge you - pastors and people - to launch out into a new adventure for Christ through providing library services for your church druing the 1972-73 church year. Please don't close your mind to possibilities that such an adventure holds for you and your church. Again, let me urge you to take advantage of the help that is available to you for this purpose. Your Superintendent of Missions is always available to direct you to the sources of such help. Pray that God will point out the right person in your church to assume this task and then give to that person help and encouragement in every way possible so that the people in your church family and those it seeks to reach will be afforded the opportunity to "Live Out the Spirit of Christ in Faith and Conquest" because of a library in your church. It is not a task to be taken lightly, but it is one that can bring eternal rewards as lives are touched and blessed by its ministry.

Susan S. Carson
Church Library Representative

## CHURCH MUSIC

When God created man, He designed him to worship. Since worship includes the motions being stirred, there is a message to be conveyed. A message thus conveyed song is often more effective than in any other way.

Throughout the entire Bible we find detailed records of the music used in worship. The book of, "The Psalms," is an example of the hymns used in the worship services of God's children in Biblical times.

It has been suggested that the singing is as important to the worship service as any other part. Many souls have been won by the singing that could not be reached by the preached word. May we never sell our music short of a real worship experience. May we suggest that we emphasize the message found in song rather than the choir's ability to produce.

This year our association held a singing school at Gospel Center Baptist Church with many of the churches taking part. The school was under the direction of Charles S. Gatwood, Department of Music, The Baptist State Convention.

## CHURCH TRAINING

The Associational Church Training Officers want to thank you for your prayers and support during the launching of the program for the Seventies during the church year, 1969-1970. This year has been spent trying to strengthen this new program.

The Associational Church Training "M" Night was held at Supply Baptist Church on December 6, 1971, with an attendance of 333.

The Youth Night was observed on March 18, 1972, at Bolivia Baptist Church.

May God give us grace, power, and the enthusiasm we need for the Seventies.

## DIRECTOR OF MISSIONS

It is wish humble and deep gratitude that I stand before you at the ending of one and the beginning of another Associational year. I find myself indebted to each of you for your fine spirit of cooperation, support and interest in our Associational Program during the past year.

There has been much accomplished in our association this year, however, I shall not be able to share all of them with you in this report. Last year our association experienced its greatest period of expansion in its history.

This associational year the same trend continues. The Leland Baptist Church moved to a new location with completely new facilities. Lebanon Baptist Church moved into a nece new educational building. Oak Island Baptist Church has a new educational building ready for use. Calvary Baptist Church put down side-walks and surfaced a circle drive and parking lot. Shallotte, First Baptist Church, installed air conditioning. Bolivia Baptist Church painted the church inside and out and added a car-port and utility room to the pastorium, also storm windows to the church. Beulah Baptist Church installed air conditioning in their sanctuary. Woodburn, First Baptist Church has added new educational space. Jennie's Branch Baptist Church dedicated a beautiful new church, which is debt free in four short years. Sabbath Home Baptist Church provided more parking space, grassed the cemetery and purchased a new organ which is paid for.

At the same time, Boiling Spring Lakes, First Baptist Church occupied a nice new educational building. Elah Baptist Church added a car-port and utility room to the pastorium. Calabash, First Baptist Church has renovated the old church building and will use it for educational facilities. Bethel Baptist Church is planning an addition to the pastorium. Soldier Bay Baptist Church built a recreation Shelter. Oak Grove Baptist Church is planning a new building in the near future.

We have grown spiritually as well as materially. Our churches have reported many fruitful revivals with a number of decisions for Christ and Church Membership. Four of our churches along with three churches in the Dock Baptist Association sponsored a Youth Crusade, which was well attended and many decisions were made. There seems to be a sense of spiritual need growing among our people.

One of the highlights of the year was last April during our World Mission Conference. Twenty-three of our churches participated in this World Mission emphasis. Everyone who attended these services were richly blessed and inspired as they were informed about our mission program around the world.

I shall not elaborate on the work of the various organizations since each Director will be reporting.

Pastors coming to us during the year are as follows: William M. Wallace, to Mount Pisgah; Dale Wayne Holden, to Boone's Neck and Beulah; Emory Hewett, to Prospect; Foyd Bennett, to Bolivia; J.D. Hewett, was called back to Friendship;

Jim Jones, to Calvary; while E.C. Rogers was called back to Community Chapel. Churches without pastors are Southport, Old Shallotte, and Peace Memorial.

There are two other people who deserve recognition, for their faithful service in our Association, Miss Ruth Galloway, Associational Treasurer and John W. Butler, Associational Clerk.

Your Director of Missions has shared in a very full schedule this past year. I attended the Baptist State Convention, the State VBS Clinic, the State Evangelism Conference, the Southern Baptist Convention, the annual Directors of Missions Conference, the Regional Stewardship Clinic, the Regional Music Clinic, the State Sunday School Briefing in Raleigh, conducted one revival, directed our World Mission Conference, and attended a number of one or two day clinics.

Helped plan and participate in all associational meetings, prepared and mailed more than 38,000 pieces of mail, prepared the Associational Calendar of Activities, and the programs for the annual meeting. Met with the Nominating Committee, Finance & Budget Committee and many other committees. Prepared hand-outs for the annual meeting and preached almost every Sunday during the year. Showed films in a number of churches and directed our film ministry at Ocean Isle Beach. Help to plan meetings for our various organizations and visited in all thirty-eight of the churches.

All that we have accomplished this past year is greatly appreciated, but will not suffice for the future. I beg each of you to join hands and hearts with me in a complete dedication to God, for the task ahead in 1972-73.

Respectfully submitted,
Arthur R. Waisner, Director of Missions

## EVANGELISM

It is exciting what the Holy Spirit is doing through the ministry of evangelism in our state. 6,000 youth and adults in 425 churches have now participated in Lay Evangelism Schools or Pastor's Retreats. Forty-two associations already have confirmed dates for schools. Over 2,400 pastors and lay persons attended the 26th Statewide Evangelism Conference in Fayetteville last February.

A new week at the North Carolina Baptist Assembly at Southport during June 12-16 was Youth Ministries Week with inspiration and training in Evangelism, Vocational Guidance and Recreation. All evening sessions were centered around Bible Study and a workshop experience in learning how to witness for Christ.

Almost 20,000 youth, pastors and adult leaders are expected to attend the 2nd Statewide Youth Evangelism Night on August 18 at the Greensboro Coliseum.

Let's bring Evangelism close home to the Brunswick Baptist Association.

Our Evangelistic Conference was held November 5, 1971 at the Supply Baptist Church with the Rev. E.W. Pate, former pastor of Calvary Baptist Church, Wilmington, bringing the message. The program consisted of worship in prayer and testamonials, and a fellowship supper followed by a worship service. Many of our pastors and deacons attended this conference. This meeting was a spiritual highlight in our association.

Our Evangelism work year is getting off with a good start. A number of our churches have had or are having revivals with good to outstanding results reported. Also iendship, New Brittan, Soldier Bay, Zion, Longwood, Myrtle Head and New Life ined in the Waccamaw Youth Crusade for Christ with good results, on Sept. 24-30. v. Tommy Butler, Ellerbe, North Carolina was the guest speaker.

Our Evangelism Clinic will be held November 10, 1972 at Bolivia Baptist Church.

Remember to Live Right, Give Right, and Witness Right, that God through the crifice of Christ, the work of the Holy Spirit, and our Spiritual efforts will bring e lost to Christ.

C. L. Turner, Chmn. Evangelism

## GENERAL BOARD

Your General Board representative reports to the Association on the affairs of the ptist State Convention for the past year. It looks as if we are closing the greatest ar in Baptist history. Mr. Leon Spencer, comptroller, reports that of September 12, 72, we were running a little better than 11% ahead of last year in our Cooperative ogram.

The General Board met January 25,26. This was their organizational meeting; members were organized into committees. These committees met for a few nutes Thursday evening for the election of their chairman. The chairman of each mmittee becomes a member of the Executive Board for that year. Then on Wednesy morning the General Board elects five additional members of the Executive ard. This Board looks after all business arising between meetings of the General ard.

On Wednesday morning all business was taken up including the recommendations he Missions Committee on the applications for aid for the churches.

The Board met June 21-22 at Gardner-Webb College. It was at this meeting that n Freeman, president of Baptist State Convention presented the program, "Toher We Advance", a three year emphasis on four main goals. A special Three- r emphasis (1973-1974-1975) designed to undergird the Spiritual Enrichment of local church and total Baptist witness of our State Convention. Specifically ... obtain 10% increase each year in the number of baptisms, Sunday School (Bible dy) enrollment, Cooperative Program support, and support of Associational Mis- ns.

Bill Lamb, Director of the Division of Evangelism, reported that if the goal for ngelism were reached there would be a total of 106,000 converts during the next ee years. Mr. Lamb reported that a part of the efforts involved in reaching this l will be set forth as follows:

a. Lay evangelism schools. These will not be limited to the three-year period, but will continue for the entire decade of the 70's.
b. Renewal Evangelism.
c. Youth Evangelism Night.
d. Youth Ministries at Caswell.
e. "Key" '73 Pamphlet."

All of these things will help to enhance the possibility of reaching the goa

The General Board recommends the adoption of a $8,500,000 base budget f 1973 with an overall goal set at $8,750,000 and that the budget be distributed ac cording to the following percentages:

33.34% ..... Southern Baptist Convention
25.5% ..... Christian Higher Education
10.47% ..... Social Service Institutions
7.39% ..... Convention-wide items
23.3% ..... State Missions

The Budget Committee further recommends that all overage be distributed ac cording to the same percentages as the base budget.

## INTERRACIAL COOPERATION

"Go ye into all the world and preach the gospel, beginning at Jerusalem". T is where we fail in our mission endeavor with the General Baptists. For we are re to send into all the world, but neglect these peoples at home. I quote from the ann sermon by John Stephenson at the Wilmington Association, "The Christian who v not witness to every creature is not fit to witness to any creature", with whic heartily agree.

I have traveled 4,410 miles in Brunswick County this year. Conducted se weeks of Institutes along with Mrs. Annie Bryant, a Shaw University Worker. have been a team for two years now. She with the adults and I with the youth. started at Shallotte, covered the lower part of Brunswick County and ended u Southport in April. I taught the book, "Meaning of Being A Christian". The clas were not as large as last year, but they all seemed to be interested in finding what God requires of us as Christians.

There were eight Bible Schools held with three of them being new schools, L Prong beyond Exum, Friendship, and First Baptist at Southport. One of the yo ladies from Macedonia, at Supply, taught in her church this year and asked to in the Bible School at St. John's Church. I started working in her church when was seven years old. Now she is an accomplished teacher at seventeen wantin work and become involved. She is talented in many ways and a very lovely y person.

The First Baptist Church, Wilmington, Junior High Group, helped again this in Bible School at Navassa. We had a good Bible School.

One morning I picked up the telephone to hear, "O, Mrs. Robbins, I cou wait to tell you that we had seven professions of faith in our revival. All of were in our Vacation Bible School last week. Our pastor said" visitors, see Bible School will do. If you have not held a Bible School in your church, I ask you do so".

I only talked to one church about a Bible School this year for all the rest tacted me. It has taken twleve years for this to happen and for this I am happy churches held their own clinic this year while I sat and listened. They did a job of planning. At the end I was asked to help in making out the orders for m

als to use in the schools that were having their own Bible Schools. Therefore, the chools that I reported were not all of the schools that were held as the result of the ork of the Department of Interracial Cooperation.

Pray for me, as I am sure you have in the past, to be able to carry on as long as od has need for me in this work.

Respectfully submitted,
Mrs. Elsie Robbins, Representative

## MISSIONS

The churches are on mission to people under the Lordship of Christ - Matthew :19-20; Acts 1:8. Churches in a cooperative plan express their mission beyond e local congregation. State Missions is interrelated by planning and financing with sociations, the State Convention, Home and Foreign Mission Boards. There is a inistry of State Missions expressed within the local church in Evangelism, Church ograms, and Stewardship Promotion. State Missions is Christian Social Service pressed through institutions. State Missions is churches expressing a positive terest in Christian Education.

State Missions is a multiplicity of special ministries too big for any one local urch. These ministries to areas of need may be altogether supported by State ssions budgeting, or a cooperative budgeting arrangement of the local church, association, the State Convention, and the Home Mission Board.

State Missions serves the pastor and local church. New churches are encouraged loans and grants of lot aid. Needy churches are given financial aid until they can come self-supporting. Pastors are directly helped through Annuity supplements.

At the association level if the Missions Committee can be of any help to you your church, please call upon us at any time.

The work of the committee may be found recorded in the minutes of the executive mmittee meetings.

## NORTH CAROLINA BAPTIST ASSEMBLIES

'Be still and know that I am God!". It seems this is the plea to God's children y. How many of us have really been still for as much as one hour or thirty min- during the past year seeking God's presence? I don't mean in worship service ven in home devotions but alone, just you and Jesus in the presence and power is Precious Holy Spirit. When I ask our youth this question: "What did you enjoy most at camp?", almost all of them replied, "The quiet time when I could take Bible and get off by myself and be alone with God." Each day at Youth Camp is time for the purpose of youth being able to get still and "Know that God od" and to seek His will for their lives. Last year at Acteens Camps over 300

girls testified to finding Jesus as their personal Saviour at Mundo Vista. I'm sur the boy's camp at Camp CaRAway had the same results. Youth camps were als held at Fruitland Baptist Conference Center and North Carolina Baptist Assembl at Caswell.

Fruitland has a beautiful modern building to replace the one burned last yea Your Associational WMU Council attended a State WMU Workshop there. We' thankful for the opportunities offered there for men who cannot financially affo college and seminary or those who are called into the ministry at an older ag

This year at Caswell was just a little off in attendance from last year. This probably due to the orhe other youth camps, even so the Youth Weeks were by f the largest conferences. The total registration was 13,850.

## RTH CAROLINA BAPTIST HOMES FOR THE AGING

This has been the best year that we have ever had in our twenty-one years, The ecial Offering for the Homes and the support through the Cooperative Program re-ct an encouraging increase. The most significant fact about this support from our ptist people is that the majority of the residents in the Homes are persons with al financial needs, and these love gifts are used for their care. In fact, these gifts a lifeline to the residents, and they could not be maintained without them. The eatest challenge to our Baptist people is to continue to increase the Special Offer-g from year to year, and thus keep pace with the needs of the residents who depend greatly on it.

Our Baptist Homes now operate five resident Homes, with two located in Winston-lem, and one each in Albemarle, Hamilton, and Yanceyville. These Homes have a pacity for 162 residents. In addition, there is a Nursing Care Unit, located in nston-Salem, with a capacity for 63 patients. In these Homes we specialize in der loving care and do not know of any place this side of Heaven, and outside of e's home, where a person can receive more compassionate Christian care. Ministry to an older person is a direct ministry to Christ and is one of the finest ngs that North Carolina Baptists are doing. Be glad that you are a Baptist, and be teful for the part that you are having in making the life of an aging person more ndant and more secure.

## RELIGIOUS LITERATURE

As we make this report on Religious Literature I believe that it will be conced by all thinking people, and especially by Christian people, that this world has nev been in such foul shape as it is at the present time. Many factors have made liber contributions, adding line upon line, precept upon precept, to bring about this s world wide condition.

It has been said, "The printed word is the most powerful weapon on earth. Literature can be used for good or for bad, to build up, or to tear down. We can a see the dire need for Christian Literature when on every hand encounter so mu vulgar, immoral, down dragging, soul damaging, Christ shaming literature for publ consumption. Sad is the thought that such literature is about all that multitudes people ever read. No wonder the world is in such a poor condition spiritual

Again it has been said, "That half of the noble deeds have been inspired by go literature, and the other half by noble lives." Just recently Dr. Billy Graham sai "Books can change your life". It is so very important at this time that more a more people learn to practice reading good Christian literature. Our Baptist press c abundantly supply us with all manner of good reading.

One of our reliable sources of good information in North Carolina is the "BIBL CAL RECORDER".

# RESOLUTIONS

Your Resolutions Committee wishes to have your approval on the following:

1. That our association work harder to make it stronger in our Lord's work.

2. Public opinion on liquor by the drink is dropping. We as Christians should ake our stand. We should teach and preach against it. Let's make Brunswick Coun- aware that we stand on God's word, against liquor and drugs.

3. We also asked the Brunswick Association to stand on one of our basic doc- nes, baptism by immersion, that we will carry our decision to the North Carolina ptist State Convention.

We express our appreciation to Woodburn First Baptist and Shallotte First Baptist urches for the excellent food served for lunch and the generous hospitality ex- ded to the association on both days.

We also express our appreciation to the officers of the association and to every mber of every committee, and to all people, local and visiting, who made this nual session a great one.

Great appreciation goes to our Association Director of Missions, Arthur R. Wais- , and Sidney D. Britt, Moderator. Both have worked so diligently throughout our sociation during the past year.

## SUNDAY SCHOOL

In the past year our Sunday Schools in the association have made great progres in our local church "Bible Teaching Program" efforts.

Reports from most of our churches reveal to us that great growth has been ex perienced both spiritually and number wise. It is my prayer that we will not becom satisfied with past goals as long as there is one man, woman, boy or girl in o church communities that are not enrolled in our "Bible Teaching Program" of th Sunday School.

At this time in history it is necessary that we recall the words of our Lord wh said, "Go ye therefore, and teach all nations, baptizing them in the name of th Father, and the Son, and of the Holy Ghost: Teaching them to observe all thing whatsoever I have commanded you: and, lo, I am with you alway, even unto th end of the world."

Let's all strive to do great things for our Lord in the Sunday School work in 197 73.

Charles R. Glisson
Associational Sunday School Direct

## VACATION BIBLE SCHOOL

God was good to us again this year in our Vacation Bible Schools. We had schools reporting, with 8 missions conducted, giving a grand total of 34 schoo held. The missions schools were: Bethleham, St. Johns, Little Macedonia, Lit Prong, Mount Zion, First Baptist of Southport, Friendship and Davis Chapel.

There were 4 ten day schools; 1 eight day schools; 21 five day schools; with ten day mission schools; 1 six day mission school; and 5 five day mission schools operation.

There was an enrollment of 1,943 plus 456 in the mission schools giving a to of 2,399 pupils with a total cost of all schools $2,949 dollars.

This is a good report for our association, but I believe that it could be bett Let me encourage all the churches to have a Vacation Bible School next year. The are boys and girls that you will reach through Vacation Bible School that cannot touched otherwise. Remember, you are never too small to have a Vacation Bi School. Also the association Vacation Bible School Workers are ready to assist a church that will ask.

This year we had 25 professions of faith in Jesus Christ. These are worth more than we could ever give or do. Thank God for them. Vacation Bible School is an important arm of our association and in every church. Work to have a Vacation Bible School each year in the future and see God bless your efforts.

Macon M. Wood, Director

## WOMAN'S MISSIONARY UNION

Woman's Missionary Union, since its inception in 1888, has had as its purpose the teaching of missions. This continues even to this moment to be its purpose.

We began the 1971-72 year with organizations to teach missions in 21 of our 38 churches. We end the year with 24 of the churches having one or more of the missionary organizations, and a total of 832 members in all organizations. While this is good, it is not the best that we can or should do. The other 14 churches should be providing missionary education for their members and all of our work needs strengthening. We need to be concerned about telling the good news of salvation through Christ not only in our own communities but "unto the uttermost part of the earth". It is through missionary education and the support of the worldwide missionary endeavor that this is achieved.

Throughout the year just past, your Associational WMU Council had the privilege of sponsoring many activities designed to interpret the WMU program, to train church WMU leaders and members; and to provide opportunities for fellowship and inspiration.

We began the year with a most helpful five-hour study of all the age-level manuals at the Supply church. State leaders came and taught all of the manuals except that of Mission Friends which was taught by our own Mission Friends Director, Mrs. Ruby Rogers. Fifty-four women participated in this opportunity for training.

In November the WMU Director had the privilege of participating in the reorganization of WMU work at Boiling Spring Lakes and of teaching the foreign mission book NEW DRUMS OVER AFRICA in five churches with women from at least nine churches sharing in the study. The Baptist Women Director, Mrs. Jackie Smith, also taught the same book in many other churches and led in the organization of a missionary society at Calabash.

On November 15 the annual Missions Banquet was held at Antioch with more than 80 pastors and WMU leaders enjoying an evening of fun, fellowship and missionary inspiration.

In February a Mission Action Clinic, under the direction of Mrs. Grace Waisner, Mission Action Director, was held at Mill Creek. This was well attended by pastors, WMU workers, and laymen interested in a missions ministry in the Brunswick Association.

In April the WMU Council served as hostesses for a Missions Rally to begin our World Missions Conference and undergirded the work throughout the week.

Also in April we experienced a wonderful Annual WMU meeting at Supply with the Wayne Pennells, missionaries to Indonesia, as our special guests. Attendance was good and a moving of the Holy Spirit was strongly felt as we were challenged to live closer to Christ in our daily lives and to more actively support world missions.

It seems that each year our Annual Meeting is better than the year before and becomes more meaningful in our lives.

In August four members of the Council went to the State Leadership Workshop at Fruitland for special training and earlier in the year the G.A. Director and Acteens Director had taken part in State Leadership activities at Camp Mundo Vista. They also planned and conducted activities for their age level groups.

On September 27 an Associational Workshop was held at Bolivia with more than 75 women from 18 churches participating and showing an eagerness to get on with the job of helping the Baptists of Brunswick become more aware of their missions task.

The past four years as your WMU Director have been four of the most rewarding years of my life. It has been thrilling and deeply satisfying to work with the women of the churches, the State WMU leaders, the Associational WMU Council and our Associational Missionary who has constantly furnished support and encouragement in every way possible and in everything we have attempted. The WMU Council members have truly been my sisters in Christ. They have prayed for me, waited on me, forgiven my blunders, been patient with me, and served as a sounding board for what must have often seemed to them to be unusual ideas, to say the least. So it is to all of these that I pay tribute in this my final report to you, and I challenge all of you to give to our new director, Mrs. Jackie Smith, the same tremendous support and love that you have given me, as she now takes over to lead out in missionary education in the Brunswick Association.

Susan S. Carson
Associational WMU Director

WOODBURN, FIRST BAPTIST CHURCH 1969-1972

The First Baptist Church of Woodburn, host for the first day sessions of the seventy-fourth session of the Brunswick Baptist Association, is the youngest church in the Association.

Woodburn Church had its beginning in a little coffee shop on highways Nos. 74, 76 and 17 in 1968, when about a dozen people began to hold meetings to see if a church could be organized. There had been three earlier attempts to establish a mission in this area--each resulting in failure.

In March, 1968, the Reverend J. Lanier Dew, a licensed minister, was invited to preach and under his ministry and direction the church was organized.

After organizing, the church voted to call Brother Dew as its first pastor. The church requested the Riegelwood Baptist Church to ordain Brother Dew. After being examined and recommended by the Ordination Council of the Columbus Association, Brother Dew was ordained May 18, 1969, at Riegelwood Baptist Church. Woodburn requested to come under the watch-care of the Brunswick Association in October, 1969, and were received into full fellowship in October, 1970, at the Friendship Baptist Church.

The first services were held in the present building on Easter Sunday, 1969. The church has grown steadily since its beginning and was second in new members in the 1970 and 1971 church years in the entire Association, 49 of them coming by profession of faith.

Woodburn Church has an active WMU organization which has added to the growth of the church. Under the auspices of the Brotherhood we have Crusader and Pioneer groups working, which also add to the growth of the church.

We have added six classrooms to our Sunday School Department and now have eleven rooms for church training. To our present structure we have added a kitchen and fellowship hall where we look forward to many happy hours together.

Woodburn Church has had a full-time ministry since March, 1972, and reported 69 resident members in our 1972 Report. Currently our church property is valued at $55,000, with about $3,000 indebtedness. Time nor space will allow the "great things that God has done in this work" to be told. We will end by simply saying, "God loves us and blesses us, and we pray that we and our sister churches in the Association may realize this more in the new year and be more faithful in his service."

SHALLOTTE FIRST BAPTIST CHURCH 1837-1972

Shallotte First Baptist Church is located in the town of Shallotte, North Carolina Brunswick County on Main Street-Highway 17 going north. The church was constituted in 1837 and was first named Chapel Hill Baptist Church. The name was changed to First Baptist Church in 1954. Rev. Frank B. Johnson was pastor at the time. Shallotte First was a member of the old Brunswick Association from 1886-

1898. Records indicate the church helped organize Brunswick Association. Due to associational changes the church became a member of Cape Fear-Columbus Association in 1899 but was received back into the Brunswick Association in 1900.

The first church building was a frame structure one mile east of the present site. The second building-1886 to 1931 - was destroyed by fire in November 1931. All records were destroyed in the fire. The third building, a frame structure with brick foundation and six class rooms, was dedicated in April 1932. The present building a brick structure which has ten classrooms, is modern and air conditioned. It was dedicated in the year 1965.

The first resident clergyman was the Rev. A.W. Nobles 1838 - 1840. The parsonage was built in 1958. It was partially destroyed by fire in November 1966, but was rebuilt the same year. The present pastor is Rev. C.L. Turner. Church enrollment is 242. Baptist organizations in the church are WMU, Men's Brotherhood and Church Training.

## MEMORIAL SERVICE

This is a moment of worship in memory of our brethren who have departed from ur midst, to be with the Father, since the last time we were assemblied.

In Revelations 14:13 we find these words: "And I heard a voice from heaven aying unto me, Write, Blessed are the dead who die in the Lord from henceforth: ea, saith the Spirit, that they may rest from their labors; and their works do follow iem."

In His divine wisdom the Eternal Father has chosen to call people to Himself way of death. For death is the door through which man must pass. The Christian kes the hand of the Saviour and walks through the shadows unafraid, and there nid the chorus of heaven the Christian sees the outstretched arms of God and ears the loving voice of God as He says: "Welcome home my child."

Some of these have laid the torch of Christ in our hands. Their presence is issed, but the spirit they revealed has left pleasant memories which challenges s to be courageous in our struggle against the powers of darkness. Therefore with isdom, love and dedication we are to place the torch of Christ into the hands of hers. We must not fail because the need is so great and because we are just a eath away from walking through the door into the open arms of God."

This Constitution supercedes and makes void all previous Constitutions of this organization, and becomes effective immediately at the close of this annual session, October 19, 1967.

## NAME

ARTICLE I. This Association shall be denominational and known as the "Brunswick Baptist Association."

## MEMBERSHIP

ARTICLE II. The Association shall be composed of the cooperating churches which have been duly received into and continued in the fellowship of the Association. Churches may be received into the fellowship only after having been under the watchcare of the Association for one full year. Application for membership shall be made through a Credentials Committee of the Association. Churches under watchcare of the Association shall make written quarterly reports of their progress and cooperative efforts in the work to the Chairman of the Credentials Committee, who in return shall report to the Executive Committee quarterly.

ARTICLE III. Messengers of the churches to the meetings of the Association shall be composed of the pastors of said churches, and three messengers from each church whose membership is 300 or less, and one additional messenger for every 100 members or fraction thereof in excess of 300. Such messengers must be duly certified by the church to the Association.

THE PASTOR of each church of the Associational is automatically a messenger to the annual sessions.

## PURPOSE

ARTICLE IV. The prime purpose of the Association shall be to counsel together for the enlargement and strengthening of God's Kingdom and promoting unity and growth among the churches composing it, and by cooperating with the Baptist State Convention of North Carolina and the Southern Baptist Convention and their agencies in the work of Missions, Christian Education, and Social Service, and the means of accomplishing the purpose of this Association shall be in strict conformity with the New Testament.

# REPORTS

## AMERICAN BIBLE SOCIETY

The American Bible Society and the Southern Baptist Convention work cooperatively as "partners" in sharing the Good News of Jesus Christ to people around the world. This is a tremendous challenge, calling for the widest possible distribution of the Scriptures. Since the eternal truths of the Bible speak to the heart and mind of man, the sole purpose and mission of the Bible societies is to make God's Word available to all men everywhere in a language and form they can easily read and understand and at a price they can afford.

To fulfill this urgent need, the Bible Societies have embarked on an ambitious program for the development of Scripture Literacy Selections to meet the rapidly mounting rate of literacy growth around the globe. This program is being built on the theme: "Let the Word Speak."

"Graded" Scriptures are being designed on five progressive reading levels to lead new readers from literacy primer levels to reading levels of the normal "common language." Before the end of the decade, these Scripture Literacy Selections will be prepared in 100 languages.

At the same time the Bible Societies are translating the Scriptures into understandable, everyday language, such as "Good News For Modern Man," the New Testament in Today's English Version, of which over 40 million copies have already been distributed--the all-time, "best-seller" in the history of paper-back publications.

In addition to "Good News," "common language" Scripture translations have already been completed in Spanish for Latin America, Spanish for Europe, Dutch, French, German, Korean, Finnish and Thai, and work on 39 similar translations in other languages is already underway. All translations are being made from the original Greek.

At the present time, nearly 97% of the world's people can secure at least a Portion (a single Book of the Bible) in their own language. Approximately 3,000 translators are presently at work on some 600 new translations

and revisions. At the end of 1972 at least one Book of the Bible had been published in 1,500 languages and dialects; the complete Bible in 255. (At the end of 1965, the Scriptures were available in only 1,250 languages and dialects.)

During 1972, the American Bible Society:

- distributed 121,122,596 copies of Scripture within the United States. This 34.4% increase in distribution over 1971 reflects the continued growth and interest in the use of the Scriptures.
- supplied 53% of the 1972 United Bible Societies' World Service Budget, thereby providing over one-half of the year's total distribution 218,429.595 Scriptures.
- continued to publish and distribute thousands of copies of Scripture in other familiar versions: King James and Standard.
- provided 704,849 copies of Scripture for the blind in special format --Braille, records, tapes, and cassettes.
- published "Wisdom for Modern Man: Proverbs and Ecclesiastes" in Today"s English Version. Also published, at the request of the Home Mission Board and the National Student Ministries of the Southern Baptist Convention, the "Jesus" book for the January Bible Study needs throughout the SBC.
- made thousands of Scriptures available to the SBC for the 1973 nationwide evangelistic campaign, Key '73.
- provided and distributed 2,196,844 copies of Scripture at Expo '72 during June, 1972, in Dallas, Texas.

Southern Baptists have long considered the American Bible Society an essential part of their worldwide mission program and support it as such.

Through gifts to the ABS, SBC churches show their deep and continued interest in providing the Word of God for people everywhere in their native tongues.

During these past six years, Southern Baptists have led all other U.S. denominations in their gifts to the ABS. Southern Baptists can continue to lead if EVERY CHURCH will contribute. Has YOUR CHURCH given this year?

Please send all gifts from your church to your State Baptist Convention office marked "for the American Bible Society."

Respectfully submitted, Ernest Poston, Jr., Representative

## ANNUITY BOARD

"Something to fall back on" was one pastor's description of the Annuity Board. To each of us, or our families, or our friends, there comes a time when we need something to fall back on. As lay members we have social security, or perhaps a disability, life or retirement insurance policy. For pastors and other paid church employees and their families this same protection is offered by the Annuity Board of the Southern Baptist Convention.

None of us like the idea of being faced with serious illness, pastors included. One day the Rev. Henry L. Register found himself faced with just this fact. However, he had something to fall back on. He was a participant in the annuity program. It helped him to know that he was still going to have an income, although unable to work.

The Annuity Board of the Southern Baptist Convention is now offering hospital insurance for pastors, church employees and their families. Every church should see that their pastor is offered this benefit.

The Brunswick Baptist Association and twenty of its churches are participating in the Annuity Board program.

## BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA, INC.

Christian Child Care is a creative opportunity. The Baptist Children's Homes of North Carolina is committed to quality care which nurtures the whole person, physically, mentally, emotionally, socially, and spiritually.

Hundreds of dependent children are served from three primary centers of operation, namely: Kennedy Home in the East; Mills Home in the Piedmont; and Broyhill Home in the West. From these centers North Carolina Baptists provide group care, foster home care, family services, preschool education, higher education, and maternity care.

In Eastern North Carolina, the Ten Star Builders Program continues to offer exciting opportunities for a great host of friends to share in developing modern facilities and the most up-to-date services for needy children and families. Although a new cottage for children is being constructed on the Kennedy Home campus, the major emphasis of the Ten Star Builders Program for 1973-74 will be in the direction of the expansion of Odum Home at Pembroke, North Carolina.

In Eastern North Carolina we have a strong and growing group of families who have opened their hearts and homes to foster children. However, from time to time, we have a need for additional foster homes for some children who have special needs which cannot be met adequately in group care. If you are interested, write or call our nearest office.

The Baptist Children's Homes of North Carolina has always operated on a very conservative budget. Therefore we make a strong appeal to our Baptist people and other friends for increased financial support to the Cooperative Program, the Thanksgiving Offering, and special gifts. A fifteen percent increase is desperately needed in order to enable us to continue an effective ministry at the present level.

Respectfully submitted, Mrs. Norman C. King, Representative

## BAPTIST HOSPITAL

Our Baptist State Hospital observed its 50th anniversary in May of this year. The hospital opened its doors in May of 1923 "to bring the healing arts more definitely under the dominion of the Great Healer."

The anniversary was celebrated jointly with the dedication of the new Reynolds Tower, which is a 16-story patient care facility. The total bed capacity of our hospital is now 655, which places the Baptist Hospital within the top 10% of hospitals in the United States in size. When renovation of older sections of the hospital is complete the total number of beds will be 717.

Construction has begun on an ambulatory care building which will house the emergency room, several outpatient clinics, the physical therapy department, and a cancer clinic, and research laboratories. When current renovation, and building programs are completed, the current medical center development program will be completed.

Last November the report from the "Committee of 15" was heard and adopted by the Baptist State Convention. These recommendations are:

1. A Medical Center Committee, composed of eight trustees from the Baptist Hospital Board and eight from the Wake Forest University, has been appointed. This committee will consider matters involving the Medical Center and its future operation.

2. The hospital trustees appoint a committee of three to review appropriations from the Mother's Day Fund and assist hospital personnel in making decisions on some specific requests for assistance. The hospital continues to provide care for people who cannot pay, which runs far in excess of the total Mother's Day Offering. The value of this care in 1972 was $1,390,000, which was nearly four times the Mother's Day Offering.

3. The Department of Pastoral Care is expanding its services to provide training for lay people. Dr. Mahan Siler joined the staff in June to head this new work. The department also anticipates the establishment of

several satelite counseling and training centers in the state beginning in the near future. Let us remember that our Cooperative Program gifts support the work of this department.

The Baptist Hospital's financial operation is "in the black," and there has not been a general room rate increase in two and a half years.

Respectfully submitted, Ivren B. Hughes, Representative

## CHURCH LIBRARY

The Associational Minutes for 1972 reported a church library in each of these churches: Antioch, Bethel, Beulah, Farmer's Chapel, Friendship, Mill Creek, Oak Island, Shell Point, Southport and Town Creek, or a gain of three over the previous year. This is very encouraging.

But what about the other 28 churches. They, too, need a church library as a partner in church growth and ministry. Those of us who have been bitten by the church library bug truly feel that the resources of a church library can be used to enrich every ministry of a church.

In very few of our churches can each worker afford to buy all of the materials he or she needs for training. There is an answer to this problem--the church library. The Director of Library Services can and should work with the leaders of each organization to select and secure adequate materials and make them available to all the workers on a loan basis. And, as the resource center for the whole church, the library is unique in that it can provide a definite ministry to all the church members and also to those whom you seek to win to Christ. The church library is for everyone--not just church leaders.

Once again I suggest, recommend and urge that a church library be carefully considered by every church as a part of its total program for service to Christ. Much help for this is available. Several of the Librarians are considering forming what is known as TACLO, or The Associational Church Library Organization, to help others get started. There are also many printed helps available. In August we had a "Library Booth" set up at our Associational Missions Fair at the Supply Church and several people expressed an interest in getting a library started. I hope they will follow through. I'll be glad to help if needed.

But if it is not possible to have a library in every church, what about an Associational Library? This is not really a new idea for our Association because there is mention of one in the minutes of the Annual Session of 1914 when it was sponsored by Woman's Missionary Union. Also, in 1918 we have reference to a traveling library. This, too, was under the auspices of Woman's Missionary Union. It is reasonable to assume that the two references were to one and the same thing. It may well be that this is a suitable goal toward which we should work as a part of our Seventy-Fifth Anniversary and as we look to the future.

Respectfully submitted, (Mrs.) Susan S. Carson, Rep.

## CHURCH MUSIC

Music is one of the most alive and vital programs in our churches today In every service of worship, singing plays an invigorating role. This singing of hymns is a Christian privilege given to every soul. Each worshiper, as he sings "with the spirit, and.....with the understanding," actively participates in the services. He feels the unifying influence of music. His heart is attuned to God and his purposes for life through hymns of praise, adoration prayer and consecration. As we sing, we grow in Christian character and ar strengthened in our faith. It is our prayer that through the choice of hymns and gospel songs every person may be lifted to a closer walk with the Saviour and share in a meaningful and worshipful experience.

Respectfully submitted, Dennis R. Howett, Director

## CHURCH TRAINING

A Church Training organization is vital to the proper growth of God's Church. I'm not saying that just having a Church Training program on Sunda night will automatically train our people. We need to start somewhere and the Sunday night hour before the worship hour is a good time. All churches

ought to think about our theme because if we heed its message, our church doors will remain open on Sunday night and the church will be hindering the aims of Satan. The theme is, "Church, the Sunday Night Place." With world competition claiming the attention of all ages, God's church needs to get busy and reclaim those who are careless. We need to enlist our people for the entire Sabbath Day and not just for an hour. The Sabbath is God's Holy Day which He has set aside for His people to worship and praise Him.

Proverbs states to train a child in the way it should go and it will not depart from it. The training of its members is a major task of the church of Jesus Christ. Let us not take our mission lightly, but as a church, yield ourselves to the Lord for guidance.

The Department of Church Ministries and Training, the State Baptist Convention, can aid the churches in their training efforts. The department stands ready and willing to assist you. Please call on it when you have a need.

Associational "M" Night was well attended last November. Tony Brewington, Associational Missionary to the Indians, was the guest speaker. He and his wife thrilled our hearts with their singing. His inspiring message will be long remembered. Also, that night, Leland Baptist Church won both banners.

Associational Youth Night was well received but the attendance was off. More churches could have been represented by the youth. Our youth should get more involved in God's work. I believe His work is best accomplished through His church.

Wendell Jones, son of the Rev. and Mrs. Jim D. Jones, Calvary church, represented the Brunswick Baptist Association in the Scripture Exploring Drill at Caswell Assembly. He was a winner. We hope to promote this feature in more of the churches this oncoming church year.

Your Associational Church Training Director and the Director of Missions are willing to aid your church at your call. Less than half of the churches have Church Training Programs. Please plan training for your people on Sunday night. I fully believe that God expects this of you.

Respectfully submitted, Jesse Bentley, Director

## CONSTITUTION

The Constitution we now have was written and became effective in October, 1967. Since then a few changes have been made at our annual sessions to bring the Constitution up to date and to comply with good suggestions from pastors, messengers and Superintendent of Missions.

During the past associational year we have had no suggestions from any source. The committee feels the Constitution is up to date and no changes are necessary, unless some suggestion or recommendation is submitted today to the committee. Therefore, we recommend that the Constitution remain as printed in the 1972 Associational Minutes for the next twelve months.

Respectfully submitted, Henry L. Register, Chairman,
C. L. Turner, C. Frank Lennon

## DIRECTOR OF MISSIONS

It seems only a short time ago since I came before you to read my Annual Report and it is reporting time again. We often hear the question asked, where does it go? "What is Time?" Time means many different things. To some people, time means suffering, disappointment, heartbreak and utter defeat. To others it is enjoying the pleasures of this world. While to others it is the roomage for growth in the grace and knowledge of our Lord, an opportunity for unfolding of character.

For Christians, it is high time we were about our Father's business. Since our last annual meeting, three hundred and sixty-five mornings have turned into the ashes of night-fall and no man can light them again. I may go

where I please and beg of my friends, but no man can give me time. God grant that we use our time wisely, because we only pass this way once in a life time.

The Brunswick Baptist Association has experienced a very fruitful year in many ways. The population is expanding at a tremendous rate. This means that a greater obligation has been thrust upon every church and every individual Christian. Our outreach must be expanded to reach the unsaved and the unchurched, for Christ and church membership. Reports from many of our churches are outstanding in additions, both by transfer of membership and baptisms.

We had the honor during the year of ordaining three new ministers and licensing one. God is still in the business of calling men into His service. New pastors coming to our churches and association are as follows: Charles C. Lanier, Woodburn, First; Henry L. Register, Leland; Harold Scott, Farmer's Chapel; Steve A. Stout, Community Chapel; B. T. Tucker, Jr., Southport; Landis Lancaster, Shell Point; Dale Wayne Holden, Beulah-Temple, A. W. Icard, Old Shallotte, and Carl D. Andrews, Boone's Neck. We extend a cordial welcome to these men and fellow-servants. There is a great shortage of pastors in our state. Churches who are fortunate enough to have a good pastor ought to thank God for him and do all possible to keep him.

During this year many of our people have attended state meeting, conferences, seminars, and camps. This indicates a desire to be informed and equipped for greater service.

These are days of opportunity, growth, knowledge, wealth. We must use all the resources available for the advancement of God's Kingdom.

Your Director of Missions has experienced a year filled with activities and travel. I attended the Baptist State Convention, State Evangelism Conference, the State Vacation Bible School Clinic, the annual Superintendents of Missions Conference, Sunday School Week at Ridgecrest, worked at Caswell Assembly during Youth Sunday School Week, worked in one World Mission Conference, attended the State Sunday School and Church Training briefing and planning meetings, prepared and mailed a monthly news letter, met with all committees, visited with all the churches one or more times, did an innumerable amount of correspondence, held individual conferences with pastors and laypeople, and preached from one to four times each Sunday.

I also assisted in planning the program for the annual meeting, worked with the Nominating Committee and the Committee on Committees in securing associational officers for the new year, prepared a monthly report and sent one copy to Raleigh and one copy to the chairman of the Missions Committee. I traveled some 37,000 miles over this state. These are some of the things which have taken my time during the past year.

With your prayers and assistance, may we, during the coming year, accomplish great things for our Lord.

You are a great people, engaged in a Great Task, for a Great and Marvelous Saviour, and I thank God for the honor of working with you.

Respectfully submitted, Arthur R. Waisner, Dir. of Missions

## EVANGELISM

The Brunswick Baptist Association Evangelism Conference will be held at Calvary Baptist Church, Shallotte, on November 8, 1973, from 4:00-9:00 p.m.

The Rev. Oren Bradley, Associational Missionary in the Surry Association, is scheduled to be the guest evangelist for the conference. All 38 churches in the Brunswick Baptist Association are encouraged to participate in this conference and to then promote evangelism in the local churches.

The state-wide Evangelism Conference is scheduled for Greensboro, N.C., February 4-6, 1974.

Our churches in the Brunswick Baptist Association are encouraged to provide money in the church budget to send their pastor to the annual state-wide evangelism conference. Your pastor will receive a spiritual blessing by being permitted to attend this annual conference.

Respectfully submitted, Jim D. Jones

## INTERRACIAL COOPERATION

We have had a good year in the Brunswick Baptist Association this church year. Two clinics were held, the first clinic at Longwood, the other one in the Wilmington Baptist Association at Burgaw. The winter work in the Institutes or Schools totaled five weeks. Three weeks were spent at the Longwood Institute. I taught the older children the first week, the Baptist women were led in Bible study the second week, and the final week the youth were led in a study of the Book of Proverbs.

There were seven Bible Schools held beginning in January and running through the month of May. One church started a Bible School on its own; their first school since 1967. With help in ordering the proper material and one visit to start them on the worship program and the music, they report a very successful school. Three other churches reported fifteen young people being won to Christ after Bible Schools were conducted. Also, Macedonia Church baptised twenty-one children from the attendance of the Bible School. The pastor gives the credit to the Bible School work.

I could not end this report without a little word about some of the experiences of love shown me as I worked in their midst. One pastor said with a gift of money that the church had taken for me, "Mrs. Robbins, this church could not give enough to say how much we love you and your husband. You have driven so far to help us in our work, and may you ever be blessed of God as you go from us."

In closing, early this year the name of the department was changed from Department of Interracial Ministries to Department of Cooperative Ministries with General Baptists.

Probably the most far reaching influence in cooperative ministries between the two state conventions this year has been the activity of the joint committee. They represent leaders from both bodies who have met regularly to plan future events.

The Student Aid Fund for this year amounted to $3,250. It was divided among 15 black Baptist students enrolled in the following schools: Campbell College, Livingstone College, Mars Hill College, Saint Augustine's College, Shaw University, and Southeastern Seminary. Our total contribution to Shaw University was $4,100.

We are indebted to the Unified Program, churches and associations of the General Baptist Convention of N. C., the Cooperative Program of the Baptist State Convention of N. C., and the Home Mission Board of the Southern Baptist Convention for sponsoring the work of this department.

Respectfully submitted, Mrs. Elsie B. Robbins, Rep.

## MISSIONS

The beginning of all missions is in the local church; and the base for the cooperation of churches in their missionary endeavor is the local association. The association is a self-determining body whose authority is derived from the action of the messengers elected by the local Baptist churches. Usually located in a limited geographical area, these churches have voluntarily associated and have established organizations for Christian fellowship and cooperation in advancing Christ's Kingdom. The association is dependent on the churches that create and sustain it, and is autonomous in relation to other Baptist bodies.

The objectives of the local association are as follows:

1. To afford and promote a larger fellowship of Christians in the work of our Lord.

2. To discover needs which cannot be met effectively by any one church and to coordinate the use of resources in the meeting of these needs.

3. To provide such programs, projects and organizations as will strengthen the churches and assist them in achieving their goals and objectives.

4. To encourage support by every church within the association of the mission causes of the local Baptist Association, the State Baptist Convention and the Southern Baptist Convention.

5. To explore together and affirm the Biblical doctrine, polity and ethical standards of the churches and to interpret the Baptist position.

All of these objectives assist the churches in majoring upon Evangelism, Missions and Stewardship.

Associational Missions is supported in the following ways:

1. Through your prayers.

2. By your attending the associational meetings.

3. By serving as an officer in the association if you are called upon.

4. By sharing in the financial support of the association. During the past associational year we only had three churches out of 38 that did not support our mission program.

The Associational Missions Committee held its regular quarterly meetings with all members present to project its planning to meet the demands of a growing association. A report of the committee's work may be found in the minutes of the executive committee meetings.

## NORTH CAROLINA BAPTIST HOMES FOR THE AGING

One of the most meaningful things that you do as a Baptist is the share that you have in the ministry of your North Carolina Baptist Homes for the Aging. As you look back with us upon 22 years of this ministry, there are distinctive blessings that we would like to call to your mind and heart.

In the first place, there is no greater realization that we can have together than the awareness of the fact that this special ministry to older people is a venture of faith in God. God has brought us from one Home to five resident Homes, with two located in Winston-Salem (Resthaven and the Hayes Home), and one each in Albemarle, Hamilton, and Yanceyville. These Homes have a capacity for 162 residents, and there is a Nursing Care Unit in Winston-Salem, with a capacity for 63 patients, and serving all of the Home's residents, when nursing care is needed.

During the past year, through your gifts, you contributed $185 a month for the care of the majority of the residents in your five Baptist Homes. Through the Special Offering you contributed 20% of the total income of the Homes, and through the Cooperative Program, you gave 10% of the total budget needed.

God bless you for your share in this ministry to the Aging, which is both special and distinctive. Pray for us, come to see us, and continue to support this ministry as liberally and loyally in the future as you have in the past.

Respectfully submitted, J. D. Hewett, Representative

## SUNDAY SCHOOL

"The Bible Teaching Program."

Efforts in our Sunday Schools have shown its effects upon our churches. God's Holy Spirit has been moving in our midst with a new freshness. As a whole, we feel our Sunday Schools have grown not only in number but even more spiritually.

Many of our churches are actively involved in sharing the Word Now, showing forth God's Word to the Now generation. The highlight of 1972-73 was the Sunday School "Action Night" which was held at the Town Creek Baptist Church, April 23, 1973. Both banners were awarded to the Supply Baptist Church.

Let us together in the future strive to teach God's Word to all ages and all men.

Respectfully submitted, Charles R. Glisson, Director

## VACATION BIBLE SCHOOL

As in the past, God gave the churches that conducted a Vacation Bible School this year wonderful results. There were 25 schools and seven missions giving a total of 32 schools. The missions were: First Baptist, Southport; St. Johns, Bolivia; Little Prong, Ash; St. James, Bolivia; Bethlehem, Winnabow; Macedonia, Supply, and AME Zion, Longwood.

There were 24 five-day schools and eight ten-day schools, with an enrollment of 2,095, plus 374 in the mission schools. A total enrollment of 2,469. This was an increase of 70 students even though there were three less schools in operation this year.

A number of the schools had only 16-20 students in them, but thank God for adults who will step forth and teach these children, even if there are only a few enrolled.

Christians, we had better give these children, young people, and even adults, the Word of God. There are so many things that are going to claim them if we Christians fail in our task. Because of Bible teaching in the past and present, there were 86 professions of faith in the Lord Jesus Christ among the schools. Thank God for these young Christians; and may I encourage each church to conduct a Vacation Bible School next year.

May God bless your efforts.

Respectfully submitted, Macon M. Wood, Director

## WOMAN'S MISSIONARY UNION

"Go, Ye, and Teach" -- this is the purpose of the Woman's Missionary Union. The teaching of missions, hoping to create a home and a church climate in which young persons would respond to the call for missionary service.

In October we had a Get-Acquainted Party for WMU and Age-Level Directors at Bolivia Baptist Church. In November, the Missions Banquet was held at Mill Creek Baptist Church. Eighteen of the churches had a study in the graded foreign mission study books this month. Acteens Emphasis in December found the girls of the association having an opportunity to hear a

young Japanese girl, studying in America, tell how she found Jesus as a result of Baptist Mission efforts. During February, an Enlargement and Enlistment Clinic was conducted by Mrs. Susan S. Carson at the Southport Baptist Church. The Associational Baptist Young Women's banquet was held.

The Rev. and Mrs. Jackie Cooper, former pastor of Oak Island Baptist Church, missionaries to Costa Rica, were the speakers for the annual WMU meeting at Friendship Baptist Church. Later in May, the Mother-Daughter banquet, held at Caswell Assembly, was well attended. The Rev. Albert S. Lamm, retired home missionary, showed slides and discussed the mission work in the Dakotas. Five of our state WMU leaders were present at the annual planning day held in July.

Much work was put into the Mission Friends Emphasis by Mrs. Ruby Rogers, Mission Friends Director. Although the attendance was poor, those present at Calvary Baptist Church received a blessing and a challenge.

Guest speaker for the Associational Day Camp for Girls in Action was The Rev. Roy Cantrell, Director of Cherokee Ministries, Burnt Swamp Association. Girls in Action are still talking about this day spent at Caswell Assembly. Also, during this month of September, five of the Associational WMU Council attended a workshop at Mondo-Vista. Later these five held a Leadership Conference at Mount Pisgah Baptist Church.

Organizations for each age-level were organized at Soldier Bay and Shallotte, First Baptist Churches. Another Baptist Women's group was organized at Calvary Baptist Church.

With the help of God's Holy Spirit these things have been accomplished for His Glory. God has been very gracious to us; it has been a good year. However, Brunswick County's fields are white unto harvest, and we've only just begun.

Respectfully submitted, Mrs. Byran R. Smith, Sr., Dir.

## HISTORY OF BETHEL BAPTIST CHURCH

BETHEL BAPTIST CHURCH 1839-1973

From the year 1792, when Southport was incorporated under the name of Smithville, until 1839, there was no Baptist church in this area. A group of concerned Christians under the leadership of three devout men, Elders, Abel King, Lewis Wescott, and Thomas Mason, came together for the purpose of organizing a Baptist church. Here the settlers could worship God in their own way.

A site in the Dutchman Creek area was chosen and upon it was constructed a "meeting house" of logs. The name "Bethel" or "House of God" was chosen for the newly founded church. Bethel Baptist Church was constituted December 15, 1839, by Elders Thomas Mason and Able King. Lewis Wescott was named Deacon and Robert McCacken, Clerk. A. W. Nobles, 1839-1842, was the first resident clergyman.

Membership in the early church was not taken lightly and members abided strictly by the Covenant. Any member whose life did not come up to the expectations of the church was called before the Elders. He had to confess his wrong doing and show repentance or be excluded from the fellowship of the church.

In the year 1840, Bethel Baptist Church was admitted to the Cape Fear Association, changing to the Cape Fear-Columbus in 1899 and into the present day Brunswick Association in 1903. Lewis Wescott and Robert McCacken were the first to represent their church at these associations and from that time on Bethel Baptist Church has been an active member.

Records do not disclose when or why it was decided to build a new church house but within just a few years another "Meeting House" of logs was built, this time on what is known as Atwood Road, approximately midway between what is now Highways 87 and 211. It is here that the grave sites of some of the founders of Bethel Baptist Church can be seen.

Even though church membership was taken seriously and discipline was strict, Bethel Baptist Church continued to grow until the onset of the Civil War. Despair and poverty hit the area as men, both young and old, left families and farms to go to battle. Some of the despair can be felt as you read the last minutes recorded before the church was burned by the Union soldiers.

From the minutes of April 8, 1861:

"A few of the members met at the church. Pastor absent. Weather inclement. No conference.

John L. Wescott, Clerk

(addition) Thus closes the records of Bethel Baptist Church up to the late war which had the effect of hindering the progress of the Gospel in this church as well as in the entire association.

(signed) D. K. B."

After the war, plans again were made for the building of a new "Meeting House." The site chosen was on a portion of land given by Jeff Wescott on what is now the Old Bethel Church Road, about one-fourth mile off Highway 87. Here among the oak trees, was built a white frame church consisting of one large room, a large columned front porch, and a steeple complete with a bell. For Sunday School classes, "rooms" were partitioned off with curtains hung on wire stretched across the large room. These curtains were drawn open for regular worship services. Hanging oil lamps gave light and a pump organ provided the music. The first church conference recorded after the war was dated August 4, 1867.

As the population of Smithville increased, it became apparent that a Baptist church was needed there to meet the needs of the people. John L. Wescott, Wade Ruark, and Albert Wescott joined with the people of Smithville to make plans for a church. Everything went well and we read from the minutes of April, 1876, "A special conference was called for the purpose of granting a letter to the members of the church who might wish to withdraw for the purpose of constituting a church of the same faith and order in the town of Smithville." Thirteen letters were granted, among them were John L. Wescott, Wade Ruark, and Albert Wescott.

As time marched on, Bethel Baptist Church continued to grow. However, World War I had a slight effect on the church's attendance but things quickly returned to normal. Then, as the years went by, there arose a need for more classrooms. The large front porch was first enclosed and later two small rooms were added to the rear of the church.

With the advent of World War II, the church again began a decline but by 1950 it was back on its feet again. A building program was started and a committee was chosen to begin making plans. A building site was chosen on Highway 211; and in 1958 a new church plant and pastorium were completed. In 1965, an Educational Building was added; and in 1969, an air conditioning unit was installed. This year, 1973, a bus was purchased and recently plans were made for the addition of more classrooms.

God has richly blessed Bethel Baptist Church as her people have stepped out on faith through many trials. She continues to shed her light as she has for the past 134 years.

## HISTORY OF LELAND BAPTIST CHURCH

LELAND BAPTIST CHURCH 1925-1973

In 1925, there were no Baptist Sunday Schools or churches in the immediate area. J. L. Sessoms felt led to visit Morris V. Hufham to talk over the situation. In early 1925, Mr. Hufham called on Herbert S. Strickland to come to the Leland area and to help them form a Baptist church. He was asked, and accepted, to preach once a month. Services were held in the auditorium of the public school, on the second floor of the wooden structure.

By the fall of 1925, sister churches were notified of the plans to organize a church and were requested to send representatives to help in the work. Among those who assisted in the formation of our church were the following Baptist ministers: Dr. J. M. Kester, First Baptist Church, Wilmington; J. A. Sullivan, Calvary Baptist Church, Wilmington; Herbert S. Strickland, Wilmington.

A complaint by some of the citizens of the community about the school auditorium being used by the church, caused the services to be moved into the various homes of the charter members. Realizing that something had to be done, R. V. Williams went to Mr. Hufham's home and together they left to pick up Ed A. Gainey, J. L. Sessoms, Herbert Chinnis and Clarence M. Pickett.

These six men selected a site on the old Fayetteville Road for a place of worship to be erected. They pooled their money and gathered donations from several churches outside the Leland area. The church had a total of $550.00 with which to start a building. They approached R. T. Williams and he agreed to construct the church building, using the money on hand as a down payment. The church agreed to pay Mr. Williams $35.00 a month without interest, for the balance due, a gracious deed by Mr. Williams.

Using crude benches made of boards supported by nail kegs, etc., the congregation met for worship. During the first few years, the church held preaching services on the first Sunday of each month.

The first pastor, Herbert S. Strickland, served for some fourteen and a half years. The first elected officers of the church were: R. V. Williams, Clerk; Morris V. Hufham, Sunday School Supt.; R. V. Williams, Treasurer. The first elected ordained Deacons were: Ed A. Gainey, Morris V. Hufham, R. V. Williams, Herbert Chinnis and Clarence M. Pickett.

Herbert S. Strickland recalled an abandoned church building located on property owned by Mrs. W. H. Shearin, Castle Hayne, North Carolina. Mrs. Shearin received permission from the First Baptist Church of Wilmington, who owned the furniture within the building, to give it to the Leland

Baptist Church. This included a large pulpit, a Bible and an organ. Later another pulpit Bible was donated by Mrs. W. S. Edwards and family. The Wrightsboro Baptist Church gave the church bell which still remains in the steeple of the old church building. Also, the Woodburn Presbyterian Church was a great help during our early struggles.

The Leland Baptist Church was organized with a membership of eighteen. Nine members were added the first year by baptism. Church enrollment for 1964 was 232. Nine years later, 1973, the figure has reached 365. Sunday School enrollment in 1926 was 73; 1944, 100; 1956, 191; 1973, 365.

Total receipts for all purposes for 1926 were $175.60; 1944, $3,219; 1956, $7,555; 1973, $65,126. While the church budget for 1964 was $12,000.00, we have a budget of $43,212.00 for the 1973 church year.

The pastor's salary was $100.00 for the first year according to the minutes of 1926. In 1944, the minutes show the pastor's salary as $1,010.00; in 1956, $3,380.00; for 1973, $6,500.00.

The Leland Baptist Church joined the Wilmington Baptist Association in 1926 and then transferred into the fellowship of the Brunswick Baptist Association in 1945.

Thirteen men have pastored Leland Baptist Church over the years: Herbert S. Strickland, L. R. Jordan, Woodrow W. Robbins, Hovie W. Pope, Taft Hewett, Herman W. Crainshaw, Roselle Kelley, M. S. McLain, J. C. Shaw, Fred Nordan, Jimmy Casella, D. G. Thomas and our present pastor, Henry L. Register. From 1925, until 1952, pastors were called for fourth or half time work. In 1952, H. W. Crainshaw was called for full work.

After much hard work, prayer and the cooperation of our good church, with these pastors, God saw fit to let us have the wonderful new structure we now reside in for worship. Through the supervision of D. G. Thomas, we held ground-breaking services on January 17, 1971, relocating on a seven acre tract on Highways 74-76, between Highway junction 17-74-76 and Leland. We held our first worship service in the new building on June 11, 1972. Dedication services for the new sanctuary and educational plant were observed on June 18, 1972.

The ground that our old church stands on was bought for $150.00 in 1926. Later the church purchased an adjoining lot. Today, the value of our church property at the new location is $250,000.00.

## THE BRUNSWICK BAPTIST ASSOCIATION - OUR HISTORY

As early as 1661 English Baptist churches were "associating" themselves for fellowship and because of their common needs and problems. Baptist churches found it difficult and even dangerous to exist, but exist they did and formed associations.

Baptists came to North Carolina as early as 1714, possibly even prior to 1700, and small Baptist churches sprang up in the various areas of the state, particularly along the coast. The associational pattern, familiar to English Baptists, continued and in 1707 the Philadelphia Association was formed, followed by the Charleston Association in 1751, the Sandy Creek Association in 1758, and the Kehukee Association in 1769, the latter two being in North Carolina. By 1794, the Neuse Association had been organized and early records show that Mount Pisgah and Mill Creek Churches were members of that Association. A few years later, in 1805, the Neuse had grown so large that the territory was divided and 14 of its churches were dismissed to form the Cape Fear Association. By 1825 the Cape Fear Association had 47 churches and 305 members. Once again, in 1826, a division was made with churches south and west of the Cape Fear River to continue as the Cape Fear Association. For two years there was an association known as the Brunswick Association (now referred to as Brunswick I) and ten

churches in Brunswick County were members of it, but these apparently came back into the Cape Fear Association when Brunswick I ceased functioning. By 1873, the 69th year of the Cape Fear Association, there were 14 churches of Brunswick County listed in its minutes. By 1898, the Cape Fear Association and Columbus Association united to form the Cape Fear-Columbus Association, but at its very first joint annual session Beulah, Soldier Bay, Jennie's Branch, Polly's Bridge, Mill Creek, Shallotte, Prospect, Shiloh, Oak Grove and Mount Pisgah requested and were granted letters of dismissal to form a separate association. These churches, with the exception of Shiloh, met at (Old) Shallotte Church on November 30, December 1, 2 and 3, 1899, and organized our present Brunswick Baptist Association. The Rev. J. A. Mintz was elected Moderator, Isaac Jenrette was elected Clerk, and Isaac Milliken became Treasurer. Others taking an active part at that session were G. W. Sellers, Joseph Bennett, the Rev. Jefferson Sellers, D. L. Hewett, J. A. Russ, V. Smith and C. Evans. The first collection for the benefit of the new association was taken and amounted to $2.16.

The Second Annual Session was held at Mount Pisgah on November 8-11, 1900. On the first day an invitation was extended to other Baptist churches in the area to join the Brunswick Association and before the session was over, Southport, Bethel, Camp Branch, Myrtle Branch (Elah), Little Zoar, New Brittain, Chapel Hill (Shallotte, First), Antioch, New Life, Town Creek and Shiloh were received. That same year, for the first time, Brunswick Association II was mentioned in the North Carolina Baptist State Convention minutes. Jennie's Branch and Southport Churches had sent messengers to the Convention.

In every session of the association a deep interest was shown in missions--foreign, home, state and associational. This interest was especially strong among the women of the association who often attended the annual sessions with their husbands or fathers. In 1902, while the association was in session at Jennie's Branch Church, the women in attendance met in a little schoolhouse nearby and on November 7 organized the first Woman's Missionary Union of the Brunswick Association. Antioch Church had a mission society which had been organized in 1899, and in their old minute book reference is made to a Woman's Missionary Society at Southport Church. It is not know if there were mission organizations in any of the other churches. Woman's Missionary Union (SBC) had been organized in 1888 and Central Committees had been named for the participating states, so it is quite possible that there were already several mission societies in the area.

In this first associational WMU, Mrs. David Ward of Antioch ("Mother Ward" as she came to be lovingly called by the women of the association) presided. She had been named "Associational Vice President by Miss Fannie E. S. Heck who was then President of the North Carolina Central Committee for Missions. Miss May Ward, also of Antioch, was named Secretary for the new organization. Mrs. Ward, Mrs. J. J. Loughlin of the Southport Church, and some of the other women who were determined that the cause of missions should go forward in Brunswick County, began traveling by horse and buggy over poor roads, sometimes even taking to boats, and organized mission societies in any church where they could. Quite often they met with opposition. Some of the women refused to join any "society," saying they belonged to the "Society of Heaven." Others were forbidden by their husbands to join, some of the husbands feeling that it was a sin for women to speak in church and others believing that their wives were being asked to join a "secret society" and they were highly opposed to such. However, aided by such stalwart and fearless pastors as A. W. Clemmons and D. L. Hewett who firmly believed in the cause of missions, these women persisted and mission societies for women and young people continued to be organized.

During this first decade of our history there was a keen interest in providing education for the young people, both secular and religious. The

Brunswick Association supported a boarding school known as Dell School, which was a cooperative effort with other associations in this region of the state. The school was located near Delway and Harrells in Sampson County.

At one point the association was divided into an Eastern District and a Western District with a "missionary" appointed for service in each district. The churches were small and without much money and most of them had only part-time preaching. The "missionaries" who were appointed were pastors within the association who could travel from church to church, preach where needed and promote causes that were being fostered by the association. The churches where they preached were often referred to as "mission stations."

Interest in Sunday Schools was quite evident from many reports and discussions in the annual sessions, and in January 1909 the Brunswick Baptist Sunday School Convention was organized at the Mill Creek Church, with the Rev. J. O. Fulbright as Chairman and Elisha Sellers as Secretary. The purpose of this organization was to strengthen Sunday School work in the association. Thirteen of the churches sent delegates to the convention. It is interesting to note that the main discussion in that first meeting of the convention centered around the query, "How are we to enlist the young people in Sunday School work?"

Reports from these first ten years of our existence show a slow but steady growth in the number of churches and gifts to many worthy causes such as home, foreign, and state missions, the orphanage and Christian education. During these years Cool Run, Farmer's Chapel, Happy Home and Regan Churches were organized.

From 1911 to 1920, Brunswick County, along with almost all areas of the world, prepared for and entered World War I. This took its toll and the work of the association slowed down as men, money and time, of necessity, had to be given to the war effort. Fort Caswell was manned as an Army base and several of the churches, especially Southport and Bethel, ministered to the soldiers stationed there and were in turn blessed by the talents of these men. In 1919 came the great flu epidemic and the churches of our association were perhaps affected more by this disaster than by the war. No minutes were printed in 1919 because of the epidemic and there is no record of minutes for 1921, although no reason is given in this instance. The churches organized during this period of our history were Bolivia, Friendship (combining Long Branch and Regan), Mount Olive, Summerville (which survived only one year), and Zion.

In WMU, Mrs. Ward served as Associational Vice President for most of this period. Only about one-half of the churches had any missions organizations and Mrs. Ward and Mrs. Loughlin continued their efforts in starting new societies. The young people, especially YWA and Sunbeams, responded much more than adults. Girls' Auxiliary was not organized in the Southern Baptist Convention until 1913 and none of the churches in the Brunswick Association report a GA until much later.

Also, in 1913, WMU celebrated its Jubilate or 25th year and the Brunswick WMU joined in this by having a special program and an offering for the Judson Centennial Fund.

It is quite interesting to note that in 1914 the women were sponsoring an associational library. The 1918 minutes show that the women were hard at work for the "Million Dollar Campaign" of the Convention and that they had also purchased books for the "traveling" library and these were now in circulation. The State Secretary of WMU met with the women in their annual session and gave the money which was paid her for expenses back to the association for the purchase of a book for the traveling library and made a suggestion as to which book to buy. The women voted to purchase the book recommended and place it in the library in her honor.

The 20's brought a period of false prosperity and the beginnings of the Great Depression, but in spite of this strides were made in the association. Interest had continued to be strong in Sunday School work and the Executive

Committee, under the leadership of the Rev. Braxton Craig, the Rev. B. R. Page and W. A. Grissett, recommended that a full-time Sunday School field worker be employed as soon as the churches would agree to pay the association's part of the salary and expenses for such worker. The Sunday School Board in Nashville was to pay half and the association half of the salary. The churches agreed to cooperate and in 1926 Miss Lillian Mabry was hired and began her work. Her report to the annual session that fall showed that much progress had been made not only in Sunday School work but also in B. Y. P. U.

In this decade, Mrs. Carl Ward and Mrs. B. R. Page led out in the Associational WMU and Miss Mabry was also a great help, especially in encouraging the youth work. The WMU sponsored a Camp called "Caswell City" in the minutes, but no indication is given as to its location. The next year the camp was held at Holden Beach and was called "Camp Mabry." By this time there were several GA organizations reported. The Sunbeams were the most active of all the WMU organizations.

Only two new churches, Leland and Sabbath Home, were organized during this decade.

The following decade brought a full-fledged depression, a slow recovery from it, and then the beginnings of another war, all of which had an adverse effect on the rural structure of our association. Nineteen churches were now being listed in the minutes, some of the earlier churches having disbanded or joined other associations. One or two new churches had come into the association. During the period, Longwood was the only new church organized.

In 1934 we find the association particularly interested in training workers in the local church. The old B. Y. P. U. had now become the Training Union and had made provision for the training of adults as well as the youth.

On June 8, 1935, there was a special called meeting of the association to discuss "Our own church problems together and find a means by which, if possible, we may serve our Lord better in our home, church and community." One of the particular problems discussed was that of increasing our gifts to the Cooperative Program.

In WMU the work seemed to be firmly established and gifts to missions were increasing. The 50th Anniversary of WMU (SBC) was celebrated in 1938 and our Associational WMU gave $103.38 for China Relief as a memorial to Mrs. Mary Curtis Ward ("Mother" Ward) who had died in 1937.

War came suddenly on December 7, 1941, and brought with it the problems of shortages, rationing, crowding, and heartbreak as thousands of Brunswick County men were called into service, many of whom did not return. Fort Caswell was again activated as a military base and our several beaches were patroled by men from nearby Coast Guard and Army units, thus bringing into our association many new people. Many of our churches made special efforts to minister to these people. Boone's Neck, Ocean View and Supply churches were organized, bringing our total to 27 churches reporting at the 1950 annual session.

At the 1941 session the churches were being urged to pay their pastors a living wage so they would not need to seek outside employment. The report of E. J. Prevatte on Old Ministers' Relief brought to the attention of the people at this session the urgency of the churches to make plans for the protection of their pastors in the years of retirement and disability. Between that date and the close of the decade many of the churches had made this provision and pastors' salaries were increased in many instances.

In 1943 we elected a "Training Union Organizer" as a general officer of the association and she, together with a group of other volunteers, mainly from the Southport church, went into many of the churches putting on demonstration programs and teaching study courses. The work continued for several years and at least 7 Training Unions were organized as a result.

In WMU the 40's brought an increased emphasis on mission study and leadership training. Many classes and workshops were held. State and

District meetings were attended by the leaders and quite often State and District workers came into the association to hold study courses.

Even though the Cooperative Program had come into existence in 1925, it was not until well into this decade that most of the churches in the association came to support it in earnest. It was also during this time that many of the churches adopted the Unified Budget system.

Slowly this pattern of giving and stewardship began to be felt in associational work and in 1947 the association hired its first Associational Missionary, the Rev. George W. H. White, who served only a short time. In 1948, the Rev. W. R. Moorehead was employed as missionary by the association and served in that capacity until 1952. During this time much emphasis was placed on Christian growth and the Rev. Mr. Moorehead spent much of his time preaching in part-time churches and in teaching many study courses. Travel was difficult because of the poor roads in many areas of the county and funds were limited, but Mr. Moorehead worked diligently to promote the program of each organization.

Following the close of the war, the Rev. Herbert M. Baker, then Moderator, had the dream of North Carolina Baptists purchasing Fort Caswell to be used as an assembly grounds. The Fort had been declared surplus property by the Navy and was avilable. Through his efforts and those of E. J. Prevatte, with the encouragement and assistance of the Rev. Mr. Moorehead, the Associational Missionary at the time, the State Convention was convinced that it should purchase the property. This was done and the development of the assembly program which was to mean so much to us began.

In 1952, the Rev. Mr. Moorehead resigned and on December 14 of that year Mrs. Margaret C. McRackan was employed as our Missionary. Mrs. McRackan was serving as Associational WMU Superintendent at the time and Mrs. Dennis R. Hewett was chosen to serve out her unfinished term. WMU that year reported organizations in 20 churches, with 720 women and children involved in missions.

In Mrs. McRackan's 1953 report to the association it is noted that the Training Union was still the weakest link. Significant gains had been made in all other areas. A committee had been appointed and was working on the goals for the SBC emphasis of "A Million More in '54." The assembly program was getting underway at Caswell in a splendid manner and many of our age-level rallies, camps and banquets had been held there. Many of our people were taking part in the activities offered at the assembly.

During this decade the number of baptisms increased, a few churches organized libraries, Gospel Center Church was organized and many of the churches built pastoriums and several added to their existing structures or built new ones. A few more of the churches moved into full-time preaching.

The decade 1961 through 1970, and then on to the present, is too close to us in time for a proper evaluation. However, many events of great importance have and are taking place. These have been years of great social upheaval and unrest in the world and unprecedented growth in industry and population in Brunswick County. This, of course, has had its impact on our association.

Mrs. McRackan, because of a family situation, found it necessary to resign in 1965, and the Rev. Henry L. Register was chosen to succeed her and came to the field in 1966. However, because of a severe heart condition, Brother Register was forced to resign in 1968. His reports to the association showed a steady growth taking place during those two years, but with much still to be done. He challenged us to a greater measure of "Christianity" rather than "Churchanity" in his closing report to the association.

Gifts to all causes increased and this spirit of stewardship was reflected in our associational budgets each year. Our association joined in the $30,000" movement of the convention and during these years Peace

Memorial, Oak Island, Sunset Harbor, Temple, Calabash, First, and Woodburn, First Churches were organized and received into the association. The association now totals 38 churches.

As early as 1968 our association began to plan and prepare for "Shaping the Seventies" and a team representing all of the organizations went to Goldsboro for extended and intensive training for the "Changes and Choices" that were to come early in the 70's, especially in the areas of grouping and grading and in the literature throughout the convention. It was only natural that when these changes came that some confusion should result, but under the leadership of our Associational Missionary, the Rev. Arthur R. Waisner who came to service in 1969, and the trained leaders in WMU, Brotherhood, Sunday School, Church Music and Church Training, the confusion subsided and progress began once again.

We now press forward toward the goal of our high calling as we move into the next quarter century of our history under the continued wise and dedicated guidance of our Associational Director of Missions, Brother Waisner. With its great influx of people, Brunswick County is truly a mission field that is "white unto harvest."

## MEMORIAL SERVICE

Since the last time we assembled as the Brunswick Baptist Association, 57 of our faithful and loyal members have been called home to be with the Lord, "To be absent from the body is to be present with the Lord," Revelation 14:13; "And I heard a Voice from heaven saying unto me, write, blessed are the dead who die in the Lord henceforth; Yea, saith the Spirit, that they may rest from their labors; and their works do follow them."

Death is not the master of the house but the gate from time to eternity. Our Lord chose the way of sacrificial death that He might bring many sons and daughters into glory. We have been made welcome by His love and nothing can separate us from the love of God that we know in Christ Jesus.

We are more than conquerors through Him. Now, we can worship and remember our deceased loved ones with the hope that reaches within the veil in heavenly places. Give glory to God for His unspeakable gift, take up the work they have left behind, and press forward to this High Calling of God in Christ Jesus.

DOCK GRAHAM THOMAS

August 27, 1903 - August 18, 1974

Dock Graham Thomas was born at Johnsonville, South Carolina, Augus 27, 1903. He attended Furman University three years, dropped out for five years in order to work, and graduated from Newberry College in 1930 with a B. A. degree. Mr. Thomas pastored several rural churches during his student years.

He then worked as a chain store executive, Winn-Dixe Stores, from 19 to 1959. Upon his retirement from the chain in 1959, he entered Southeaste Seminary in January of 1960 and graduated in January of 1963 with a B.D. de

While a student in Southeastern Seminary Mr. Thomas pastored Mount Ivy Baptist Church, Union Hall, Virginia. Under his leadership a new sanct was constructed.

Continuing his ministry at an age most men are bringing theirs to a close, Dock Graham Thomas came to Mount Pisgah, Brunswick Baptist Ass ciation, Supply, North Carolina, on October 1, 1962. During his ministry a Mount Pisgah, a new church plant was built. Moving to a sister church, the Leland Baptist Church, February 1, 1968, this builder of churches saw rise from a new location in a straw filled field, a completely new church plant.

Not only a builder of churches, many individuals can testify to his endeavours in establishing the Kingdom of God in their hearts. He retired fro the active pastorate on February 1, 1973, to live at Indian Trail, North Car

Mr. Thomas' places of service at the associational level included: Mo erator of the Brunswick Baptist Association two years; Chairman of Evangel five years; President of the Interdenominational County Pastors Conference years; and served three years as the Brunswick Baptist Association membe of the General Board of the North Carolina Baptist State Convention.

Survivors are a daughter in Charlotte, North Carolina and his wife, Sadie Hoafner Thomas of Lincolnton, Indian Trail, North Carolina.

By this acknowledgement of his love for people and the work of the Lo as reflected in the life of Dock Graham Thomas, the Brunswick Baptist Ass ciation wishes to keep alive the rememberance of this spirit filled man with the hearts of our people.

William Herman Lewis
September 20, 1920 - May 9, 1974

William Herman Lewis was born in Wilmington, North Carolina, Septem-
er 20, 1920. He attended Wake Forest College, leaving to spend nearly four
ears in the armed services as a paratrooper and chaplain's assistant.

Shortly after his discharge in 1946, he accepted the pastorate of two
urches in Maryland, under the joint auspices of the churches and the State
ission Board. These churches, the Barnesville and the Weaverton Baptist
urches, became full time ministries under his leadership.

He returned to Wake Forest in 1947, completing his education there
ile serving as pastor of a two church field, Red Mountain and the Efland
ptist Churches, in the Yadkin Baptist Association.

He continued his training at Southeastern Seminary while serving as pas-
r of Mission Baptist Church in Stanley County. He later moved to the Liberty
ptist Association as pastor of the Mountain View and High Rock Baptist
urches. These churches constructed a parsonage and an educational plant
spectively during his ministry.

In 1959, he moved to the Columbus Baptist Association as pastor of the
easant Hill Baptist Church and later of the Mount Zion and Calvary Church
ld. When Calvary began a full time ministry he served this church as their
stor.

On December 5, 1970, William Herman Lewis came to the Brunswick
ptist Association as pastor of the Elah Baptist Church, Leland, North
rolina. The church soon launched into the construction of a long planned
and needed educational building which was completed in September, 1974,
ew months after his death.

He married Helen Virginia Jeffers of Barnesville, Maryland, the mother
his four children; James William Lewis, Susan Layne Lewis, Cherly Ann
wis and Helen Elizabeth Lewis, all of whom survive him.

Although handicapped from infancy with a serious speech impairment, he
t early God's call to the ministry. There were many who believed the handi-
insurmountable, but to Mr. Lewis, it seemed a small challenge to the One
o had called him out for this special service. Truly, God was equal to the
blem and when he began his formal training for the ministry, victory was
en. His great confidence in the authenticity of his call stood him in good
ad throughout many years of pastorial service.

The greatest strength of his ministry was in that of a pastor, exhibited in
love of people and understanding of their problems. His desire was for
d's redeemed" to be aware of the power and comfort available to them through
dience, not only for the mountain peaks of life, but when the shadows came or
death angel hovered near. Months before it occurred, he knew his own death
near; but the tranquility and faith he demonstrated was an inspiration to all
knew him.

THAT WHEREAS, During the year 1945, God in his infinite wisdom reached wn and placed his hand on William Herman Lewis of Columbus County and lled him out to become a fisherman of men;

AND WHEREAS, Brother Lewis did immediately heed the call of the Sub-ne Master of the Universe and was licensed and ordained to preach the Gospel a Missionary Baptist minister by his home church in Columbus County and l thereafter remain faithful to his call until his untimely demise on 9 May 1974;

AND WHEREAS, resolute integrity was his guiding principle and pragmatism was his working rule - by these tenets he searched for truths and served the cause of mankind, more especially Christianity - yet in all he did he was the epitome of patience, tact and modesty, and as has been said, "He read to learn and not to quote; to digest and master, and not merely to display";

AND WHEREAS, others have said that because of his incomparable insight and wisdom into the problems of Christian living, he extended the horizons of Christianity, brought new hope and inspiration to those of high and low estate, kindled the interest of sinners and strengthened the foundations of wavering Christians;

AND WHEREAS, still others have characterized him as having a simplicity of style, directness of presentment and quietness of manner that lifted the spirits of Christianity high into the skies;

AND WHEREAS, yet others saw him as modest and wise, graced with the fine qualities of gentleness and integrity, with remarkable human qualities that made him sensitive to the needs of all persons, regardless of their background and always interested in the concerns and problems of all with whom he came in contact:

NOW, THEREFORE, be it known that Brunswick Baptist Association affectionately acknowledges this kind, distinguished, humble and devoted family man and man of God. His legacy will remain in our hearts; he earned our profound respect and gratitude, and we are richer because of his diligent and dedicated service in our midst.

Let a copy of this statement of love and memorial be spread upon the minutes of the Brunswick Baptist Association and a copy be sent to the widow and family of our deceased brother.

# REPORTS

## AMERICAN BIBLE SOCIETY

Supplying the millions of men, women and children who become new readers each year with Scriptures they can understand, is seen by the American Bible Society as one of the most pressing of the many challenges facing it today.

To bring the Word of God to every person in the world has, of course, always been the sole purpose of the Society. To do so it has engaged in hundreds of programs of Scripture translation, publication and distribution by cooperating with churches and agencies that need Scriptures. But even with all these programs, the Bible Society is aware that a large part of the world's people are not being reached, those whose reading ability is new or marginal.

## GOOD NEWS FOR NEW READERS

Now there is GOOD NEWS FOR NEW READERS, a unique and extensive program that will provide special Scripture Literacy Selections on five graded levels, in 200 languages. It will enable millions of people to read the Word of God for themselves, as well as other reading material, for the first time, thus providing a basis for a more abundant life.

Over the next twelve years, 725 million Selections will be required at a cost of over $62,000,000. Already two levels are complete in 112 languages. Their ready acceptance indicates the great spiritual hunger of the world's people and the need for these unique tools. Nothing else like them exists anywhere in any language!

## FINANCIAL SUPPORT

The American Bible Society is most grateful for its close and continuing relationship with the Southern Baptist Convention in the common purpose of Scripture distribution. However, the Society is facing growing demands for Scriptures in a world whose population is growing and whose people have a growing need for the saving knowledge of the Gospel.

Therefore, the Society asks Southern Baptist churches to continue their active support and to make special efforts to support the GOOD NEWS FOR NEW READERS program.

We know we have the urgent responsibility and glorious challenge of making God's Word available to all who need and want it. This is more than a responsibility for the Bible Societies. It is a responsibility which all Christians must recognize and to which all must respond generously.

Respectfully submitted, Ernest Poston, Jr., Representative

## ANNUITY BOARD

The Southern Baptist Convention Annuity Board paid out a record nearly 16 million in retirement and protection benefits during 1973. Funds held in trust exceeded $350 million for the first time, President Darold H. Morgan reported.

More than 9,000 pastors and other church-related vocational workers or their widows receive the benefits. The Board issued another 13th check, or extra benefit, for annuitants shortly before Christmas 1973. It amounted to two extra months' worth of benefits and totaled $1,187,379. About 38,000 pastors, other church staff and denominational agency employees are participating in retirement and protection plans while still in active service.

The Board's decline in equity, or stock, investments paralleled the decline in the market generally, which affected all other types of investors as well. The major market indicators--Dow-Jones, Standard and Poor, and Value Line--all were down during the year.

By comparison, the Board's investments in mortgage loans and real estate leasebacks proved to be profit-making for the year. In an effort to continue earning from real estate investments, the Board announced a new type of Plan C investment called land equity loans. Plan C is the Board's variable benefit plan, which supplements the basic retirement program, called Plan A, for ministers.

## AUDITING COMMITTEE

The Audit Committee met with the Associational Treasurer, Miss Ruth Galloway, on October 22, 1974 and examined the financial records for the fiscal year 1973-1974.

We verified the receipts with the deposits made in the bank, checked all disbursements and arrived at the balance shown on the bank statements and on treasurer's financial report.

It is our opinion that the financial records of the Brunswick Baptist Association have been and are kept in a neat, detailed and orderly manner.

We indeed are appreciative and grateful for the excellent job she is doing.

Respectfully submitted, Douglas H. Hawes, Chm,
John R. Sellars, Durbin S. Varnum

## BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA, INC.

Baptist Children's Homes of North Carolina have had a busy year with all its many activities and projects throughout the state.

Here in Eastern North Carolina the Child Care Program has been trying to practice the theme of the 1974 Alumni Homecoming at Kennedy Home, "Doing the Will of God." Our Children's Homes are seeking to do God's will by its ministry to dependent and neglected children and their families throughout the state.

The homes are operating at capacity with our foster homes also full. Hopefully a new cottage for twelve children and two staff members will be completed by the year end.

Kennedy Home has started a new program which ministers to troubled teenagers. This program is limited to eight boys and is designed to help them through some of their troubles.

At present there is a campaign in progress to increase the services at Odum Home, Pembroke. Support for a recreation building and two family style cottages is being sought in a nine county area around Pembroke.

One year ago our first campus integration occured with the placement of a black child at Odum Home. At Kennedy Home a program of ministering and involving black children during 1974 has been a success.

Our Children's Homes desperately need our prayers and our support as we face the spiraling cost of living and the need to minister to children whose problems are so intense.

Respectfully submitted, Mrs. Catherine G. King, Rep.

## BAPTIST HOSPITAL

The emphasis is still upon "ministering with skill and understanding" at your Baptist Hospital, although there has been tremendous growth in size and complexity. The evidence of this is the statement made by a patient recently: "From the head surgeon to the aide who handed me a glass of water, with all the doctors, nurses, people in the business office and chaplains in between, I was cheerfully given every personal consideration".

In order that better hospital care might be provided, changes and additions continue to be made. Renovation of the Progressive Care Unit has been completed, and the South and West Wings of the hospital building are now being renovated. Construction of the Ambulatory Care Unit is well under way.

New discoveries continue to make possible better medical care. For example, a new EMI-Scanner is to be installed and is expected to be in use before the end of 1974. This device, which combines the use of x-rays and computer will make it possible to detect brain tumors, blood clots, and strokes more accurately and more quickly.

New approaches are also being made in the hospital's ministry to the emotional and spiritual needs of people. The Division of Human Enrichment and

Development, in the Department of Pastoral Care, is conducting retreats, seminars, and workshops designed to help appropriate the resources of the Christian faith to the various areas and experiences of life. Your Cooperative Program gifts help to support these ministries.

The School of Nursing graduated its last class in May. As a result of a decision made in 1971, the school has been in the process of phasing out.

The hospital had its only room rate increase in the past three years in January. Nevertheless, the hospital continues to operate "in the black". The 1973 Mother's Day offering was $375,000. In September the 1974 Mother's Day gifts are running ahead of last year. These gifts are used to assist people with more urgent financial needs.

Respectfully submitted, Ivren B. Hughes, Representative

## CHRISTIAN HIGHER EDUCATION

An increase is report again this year in the enrolment of our Baptist schools. Ministerial students show a rise of nearly 900 in number or 10%.

Highlights of the Christian Higher Education Council were as follows:

1. A developed commitment to a biblical and theological basis for Christian higher education, as unanimously adopted by the Association of Southern Baptist colleges and schools.
2. Assisted fifty-one out of fifty-three Baptist colleges in securing qualified faculty members.
3. Completed and had published the special study "Overview of Southern Baptist Higher Education."
4. Held the second annual workshop for state education committee chairman
5. Promoted the second and largest yet national student admission workshop.
6. Prepared the most complete study ever made to date, of the educational level of Southern Baptist preachers, in cooperation with the in-service training department of the Home Mission Board.
7. Cooperated in a number of projects with the Foreign Board, National Student Ministries, Church Administration Department of the Sunday School Board, Seminary Extension Department, the Stewardship Commission and many other important works.

## CHURCH LIBRARY

Progress is being made in the Brunswick Association as more of our churches are learning to use the Church Library as a tool for witnessing and for development of Christian character and a trained leadership.

The 1973 minutes showed a total of 14 churches having a library. This is more than one third of the churches so reporting. However, only nine of these gave the name and address of a librarian. It is quite possible that the person preparing the church letter in each instance overlooked including this important information.

On August 29, 1974, I was advised by the Church Library Department of the Sunday School Board in Nashville that Mount Pisgah, Supply, Sabbath Home, Friendship and Calvary were eligible for the free library offer made by the Sunday School Board to church libraries. If your church is interested in beginning a library, write me and I will tell you how to secure the free library offer.

Even the smallest church can have a useful library. You do not have to have a trained librarian. The main requirements are that the church shall want a library and vote to support it and shall elect as librarian a person who is dedicated to the Lord, willing to work hard and willing to learn.

Many helps are available for starting church libraries. Two that come to mind at the moment can and shall be used with all the church members to help them see the importance of a church library.

One of these helps is The Church Library Ministry, a filmstrip telling about church library services. This can be borrowed from me, from the Department of Communications of the Baptist State Convention in Raleigh, or purchased from a Baptist Book Store. I recommend this to you.

Another recommended help for the entire church is a small book which is a part of the Church Study Course, Media on the Move: Reaching Out With Resources. This book is compiled by Dr. Wayne E. Todd from many sources. In speaking of church libraries, Dr. Todd says: "During the year 1974-75 this use of media in outreach can be employed effectively by every Christian in carrying out the denominational theme of 'Sharing Christ Through His Reconciling Love'. The new book Media on the Move: Reaching Out with Resources can be used in personal outreach to share Christ with the unreached."

The best help for a library staff is the Church Library Development Plan, Stages 1, 2 and 3. This is an item to be purchased from the Baptist Book Store and will give complete guidance for beginning a library.

It is wonderful to be a part of a church library ministry. There is constantly the conviction of the importance of a media center in the total program of the church. Only in eternity will be know how many lives have been touched and brought closer to Jesus through books and other materials from church libraries.

## CHURCH MUSIC

The musical portion of our church program is one of the most important parts of the worship service. Singing has always been a part of public worshi Even the heathen have their musical chants.

Have you ever attended a worship service in which there was no music? If so, you could readily note the difference. In some worship services singing has a more important place than preaching. In Psalms 149:1, we find these words, (Living Bible), "Hallelujah, yes, praise the Lord. Sing his praises, all his people."

In the past associational year we have held two workshop periods aiming at strengthening our music program. Charles Gatwood, Associate Director, Department of Church Music, held a workshop at Supply Baptist Church. Eve one that attended enjoyed the program. On the heels of this came a follow up workshop. Mr. Gatwood will be coming again for another workshop in the future. I trust more of you will strive to attend the program.

Let us keep up our music program in every church and sing for the glory of God.

Respectfully submitted, G. Rotha Hickman, Director

## CHURCH TRAINING

A Church Training Program is needed in all of our churches. It is imperative for the Christian to grow in the grace and knowledge of Jesus Christ. An individual that makes a profession of faith is a child of God. Every professed believer has a responsibility to God, a responsibility to glorify God in and through his life. The church is responsible for leading the believer to find and to accept this responsibility. How can the church do this? It helps to do this through its Church Training Program.

"Church the Sunday Night Place," is the theme of the Church Training Department. The hour before the worship service on Sunday night is very important. It means a lot to the pastor. The church is the place God's peopl should be.

Less than half of our churches have an hour of some type activity before the worship hour. It saddens my heart to know the Devil is being worshipped more than God. It is the Devil that closes the church doors on Sunday nights or at any other time. Let us, as God's people, oppose the Devil at every opportunity. Even a small handful of Christians can keep the church doors open in the community.

"M" night was fairly attended at Mill Creek Baptist Church. Our speake was Fred B. Lunsford, Director of Missions, the Truett Baptist Association Rev. Lunsford brought a challenging message. Supply Baptist Church carrie both banners home with them.

We made plans for an Associational-wide study course in February, but the gasoline crisis caused us to cancel the program.

If a church desires help, our State Church Training Department in Raleigh stands ready to aid. The Associational Director of Missions and the Associational Church Training Director are always ready to assist in any way.

May God bless and lead the churches in a glorious way this coming year.

Respectfully submitted, Jesse Bentley, Director

## DIRECTOR OF MISSIONS

As we assemble today for the Seventy-Sixth Annual Session, of the Brunswick Baptist Association, it is a pleasure to stand before you to bring this report.

My heart is filled with deep gratitude and appreciation for the opportunity to serve as your Director of Missions. Thank you for your prayers, cooperation, understanding, assistance, and support in our mission program.

Your Director of Missions has experienced a year filled with opportunities, challenges and service. I often wish there were more hours in a day or days in a week, so I would be able to get more accomplished.

During the past year, our time has been spent attending conventions, seminars, briefing meetings, conferences, preaching, teaching and office work. I attended the Baptist State Convention in Greensboro, the State Evangelism Conference in Greensboro, the Southern Baptist Convention in Fort Worth, Texas, the annual Director's of Missions Conference in Raleigh and Fruitland, Sunday School briefing in Raleigh, Brotherhood briefing in Whiteville, Vacation Bible School Clinic at Wingate College, World Mission Week at Caswell, World Evangelism Conference in Wilmington, and a number of other meetings. I assisted in planning and attended all associational meetings, preached from one to three times a week, published a monthly news letter, did an enormous amount of correspondence, taught the January Bible Study in three churches, conducted two revivals, traveled thirty seven thousand miles, and many other things that I shall not take the time to mention.

Our churches have experienced a very good year. More baptisms and new members, have been reported this year than in previous years. Ocean View church was completely renovated inside and out; Antioch church added a new carpet in the sanctuary and a new organ and public address system was presented to the church by Mr. and Mrs. Bryson Hickman; the pulpit and choir loft was was renovated at Town Creek church, carpet placed in the sanctuary and a new organ purchased; Elah church has completed a beautiful new Educational Building; Southport church has completed the second floor of their Educational Building; Oak Grove church has begun construction on a new building; Mount Pisgah church has purchased a new organ; and Leland church has installed a Public Address System.

Pastors coming to us this year are as follows: James D. Craig - Mount Pisgah; David C. Adams - Town Creek; Alton C. Bridgers - Bolivia; Joseph D. Creech - Bethel; Robert C. Johnson, Jr. - Boiling Spring Lakes First; and Grover B. Vaughan - Sabbath Home. Churches without pastors at present are New Life, Beulah, Shallotte First, Elah, Woodburn First and Mill Creek.

I shall not elaborate on the work of the associational organizations, each director will report on achievements during the year.

God grant we shall be blessed with a prosperous new Associational year. When you pray, remember your Director of Missions and those who are in responsible positions with him.

Respectfully submitted, Arthur R. Waisner, Dir. of Missio

## EVANGELISM

Our churches in the Brunswick Baptist Association are encouraged to provide money in the church budget to send their pastor to the annual State-wide Evangelism, the Baptist State Convention and the Southern Baptist Convention. This will be a blessing to him as well as to the church.

In the near future we are hoping to schedule a county-wide crusade revival with all our 38 Baptist churches participating.

We are thankful for our Association Director of Missions, **Arthur R.** Waisner, and his emphasis upon evangelism in the association in his work with the local churches.

Respectfully submitted, Jim D. Jones, Chairman

## GENERAL BOARD

The General Board of the Baptist State Convention meets three times yearly - in January, in June or July, and in October. The board is composed of one member (or more in the more populous associations) from each association, plus ten members at-large.

The January meeting opened with a dinner in the dining room at Meredith College. Awards for service to the convention were presented. Dr. John Lewis, retiring Board President, presented a look back at '73. Mr. Allen Bailey, the Convention president, gave a forward look into '74. New Board members were recognized and Dr. Crouch spoke to them of the responsibility of Board members to the convention. Mr. Billy Mobley was elected to serve as president of the General Board during 1974, Mr. Howard Holly as Vice-president, Mrs. W. K. McGee as secretary and Miss Ruth Williams as staff secretary. Committees were appointed and each committee chose a chairman and other officers.

Next morning, the General Board met in the Baptist Building. Committee reports were heard. Five members-at-large were chosen to serve on the Executive Committee along with the various committee chairmen. The Executive Committee meets at least quarterly to take care of business arising between meetings of the General Board. The General Board set November 6-8, 1974 for the annual meeting of the Baptist State Convention in Raleigh. It heard a financial report showing an increase in cooperative program gifts of 26.9% over the same period last year. Immediately following this General Board meeting, the new wing of the Baptist Building was dedicated.

The next meeting of the General Board was held July 16-17 at Mars Hill College. It began with a dinner meeting in the college cafeteria at 6:30 p.m. Dr. Budd Smith, who was retiring as president of Wingate College, and Mr. Gary Harthcock, who was retiring as director of Fruitland Bible Institute, were recognized during the dinner meeting. At 7:30 p.m. a business session followed in Belk Auditorium at which a report of Executive Committee activity was heard. Mr. L. J. Morriss, Director of the Convention Communications Department, was presented and expressed appreciation for being provided additional space in the new wing making it possible for his department to greatly expand its ministry through radio and TV. A fellowship period followed hosted by Mars Hill College faculty and administration.

The General Board reconvened next morning. Financial and committee reports were heard. The Evangelism Committee announced that the Evangelism Conference in 1975 was set for February 3 - 5, 1975 in Greensboro. The Social Services Committee announced the making of a film by the Children's Homes. This film entitled "The Mountain Within" should be available by fall. It tells of the work being done by Baptist Children's Homes of North Carolina and some of the struggles children go through. Executive Committee recommendations were heard. Among those was a recommendation that during the celebration of the 50th anniversary of the Cooperative Program, individual churches urge their members to increase their support substantially.

The third meeting of the General Board was held on October 15-16, 1974 at Camp Caraway, but due to illness, this member was unable to attend.

Respectfully submitted, Ira L. Chadwick, Representative

## HISTORIAN

This is the seventy-sixth year of the Brunswick Baptist Association II having continued from its formation in 1899. There was a Brunswick Baptist Association I dating from 1886-1893 to 1894. This Brunswick Baptist Association I ceased to be for awhile. Through the efforts of many persons Brunswick Baptist Association II was started again in 1899. There were ten churches when it was reorganized. There are currently thirty-eight churches and at least one Mission in our association. The histories of all our churches are very deep in the past. Our oldest church dates back to 1762.

For well over a year myself and others have been working on a full history of the Brunswick Baptist Association. This history is now complete except for the remaining histories of six individual churches. We have done much research to make the history possible.

This history of the association consists of three parts -- Part I has eight chapters regarding our history, affiliations, purpose of the association, our associational missionaries, finances, education, churches and WMU work. The chapter on Women's Missionary Union work was written by Mrs. Susan S. Carson. Part II is a copy of the histories of individual churches and Part III contains copies of our basic Baptist Beliefs.

Part of the research was to get for our association a full set of the Associational Minutes. We now have this available. In the Historian's Report in 1968 this was a request which is now complete.

In writing the history of the association we found some records with no dates at all. This, of course, made an accurate history impossible.

We urge each church to have some interested person to write and/or keep a history of the church. This information will prove of tremendous value in years to come.

There has been some talk about an associational library and we are hoping that this will materialize. Such a library would be of tremendous value for the ensuing years.

Respectfully submitted, William F. Deitz, Historian

## INTERRACIAL COOPERATION

This the fourteenth year of service with the Department of Cooperative Ministries, I thank God for the opportunity of service with these our fellow General Baptists and my many dear friends and co-workers. You have offered me comfort, prayers, even aid as needed when my husband suffered a heart attack. Pray for my husband and I that we may be of some service to the Lord this coming year.

I worked in five Institutes and five Vacation Bible Schools this summer. One additional school had to be canceled because we could not get workers in the morning hours. The parents did not want their children outside in the area after night fall.

The Vacation Bible Schools were well attended except for one with an enrolment of only twelve children due to poor planning by the church. The schools were held at Little Prong, St. James, St. Johns, Bethlehem, and Southport First, plus, a clinic at Cedar Grove, Supply, and Mount Pisgah, Burgaw, churches.

I held conferences with pastors and workers; visited churches; joined in the planning of a church Educational Building; taught a three week Institute at Longwood, one week at Little Prong and Pleasant View churches this past winter.

Rev. Aaron McCrae is doing a fine job promoting the Vacation Bible School work in the Middle District Association which includes a part of Brunswick County.

I wish to thank the Brunswick Baptist Association and the Rev. and Mrs. R. L. Younce for the teaching materials supplied to the Vacation Bible School.

A few years ago we used in the schools, "Holy Spirit Breathe On Me" in the worship program. A little eight year old girl, after Bible School, went to her pastor one Sunday morning and wanted to sing for the service. She sang "Holy Spirit Breathe On Me Until I Am All Thine Own, Take Out My Heart, Clean Every Part, Holy Spirit Breathe On Me". We need to pray this prayer and mean every word. Although the words were different, it has a great message for all of us.

There are two Baptist conventions in North Carolina which represent mos of the Baptist in the state. The General Baptist State Convention consists of approximately 1700 churches with a total membership of about 325,000 predor inately black people. Headquarters are located at 603 South Wilmington Stree Raleigh, N.C. 27601.

The Baptist State Convention of North Carolina has its headquarters at 301 Hillsborough Street, Raleigh, N. C. 27603. This convention lists about 3,400 churches with some 1,035,000 members in 80 district associations.

The best way to describe the relationships between these two state conventions is with the term "Cooperative Ministries." The primary objective of the Department of Cooperative Ministries with General Baptist, since its beginning in 1957, has been to establish, strengthen, and promote cooperative efforts among the members of these two bodies. In addition, an effort is made to provide personnel and resource materials for teaching and training programs in churches upon request.

Working together, the two state conventions have been able to provide funds for cooperative ministries from September 1, 1973 through August 31, 1974, as follows:

| | |
|---|---|
| Personnel Salaries and Benefits (6 people) | $59,374 |

## MISSIONS

More than 5,000 missionaries at home and abroad depend on gifts through e Cooperative Program for a salary each month. Over 3,000 of these have basic ministry of evangelism, with all of the others using their skills as rses, teachers, doctors, etc. to meet human needs in order to bring these Christ. Through the Cooperative Program you are helping the widow, the meless child, the homeless aged, the sick, plus the ministries of preaching d teaching.

Increasing the percentage given through the Cooperative Program is an cellent follow-through for the special offerings your church receives. A od follow-through is the lifeline between good planning and good results. u will get excellent results if you plan well your special offerings and let ur major emphasis be on the lifeline: YOUR COOPERATIVE PROGRAM.

Would your church give more if you received more money? If so you ed to have a thorough stewardship program in your church. Last year, 1,236 urches increased Cooperative Program giving by 10% or more over the pre- us year. Two associations in North Carolina had 100% of the churches

giving through the Cooperative Program in 1973. The Brunswick Association missed by two churches the 100% goal.

Will you do four things?

1. Will you lead the church where you serve to increase Cooperative Program and associational mission giving by 10 percent or more?
2. Will you have a special prayer for your missionaries and other Cooperative Program causes during each service in your church during the October Cooperative Program prayer month?
3. Will you send your check for Cooperative Program EACH MONTH to Baptist State Convention of North Carolina, P.O. Box 26508, Raleigh, North Carolina 27611?
4. Will you help us have a good STEWARDSHIP WORKSHOP in our association next spring or summer, so we can: (1) Study recommendations for pastor and staff salary increases; (2) Get an overview of available program helps for each church in stewardship; and (3) Receive a report on where you are in YOUR GOALS for associational and Cooperative Program giving?

Respectfully submitted, Ira L. Chadwick, chairman

## NORTH CAROLINA BAPTIST ASSEMBLIES

There is a great concern not only in our churches but everywhere about the "Spiritual Atmosphere" of our youth. The youth are crying out for help in every area of our North Carolina State Convention.

One of the answers is our State Assemblies, which are located in the West, Piedmont, and our Fort Caswell on the Coast. We should use these places that are dedicated to the youth.

The churches in Brunswick County have the cream of the crop in Fort Caswell. This past summer 116 of our people took advantage of this Assembly The programs range from Senior Adult Conferences in May, Youth Ministries and Training Week, Youth Bible Week, World Missions Week, Youth Conferences, Youth-Adult Music Week, Vacation Week and Retreat for Exceptional Persons.

Total attendance for 1974:

| | | |
|---|---|---|
| 1. | Pre Season Guests -------- | 2,040 |
| 2. | Summer Conf. Guests ----- | 7,874 |
| 3. | Commuting One Day Guests-- | 2,570 |
| 4. | Post-Season Guests ------ | 2,100 |
| | Grand Total ------ | 14,584 |

We urge you to please see that your churches become more involved in our Assemblies.

Respectfully submitted, B. T. Tucker, Jr., Representative

## NORTH CAROLINA BAPTIST HOMES FOR THE AGING

As a Baptist, among the many vital ministries that you support are your North Carolina Baptist Homes for the Aging. For over 23 years now, you have had a part in serving hundreds of older people and making life much happier an secure for them. You have done so through two very helpful means of income: (1) The Special Offering for the Homes, received on the 3rd Sunday of Februar each year; (2) The Cooperative Program.

God, through you, has blessed this ministry of our Baptist Homes in a remarkable way, leading you to establish two Homes in Winston-Salem, Resthaven, and the Hayes Home, and the Nursing Care Unit, and three other Homes at Albemarle, Hamilton, and Yanceville. In these Homes, 4 out of every 5 residents depend upon your love gifts and simply could not be cared for without your help.

Of greatest significance during the past year, has been the decision by the Trustees of the Homes to establish a 6th Home in Western North Carolina, to be located in the city of Asheville on the Pearson Estate, a magnificently beautiful twenty-one acre site, overlooking the city, and with the gorgeous Blue Ridge Mountains in the background.

With the addition of a 6th Home for the Aging, with the spiraling cost of living, and the great and ever increasing needs of older people, it is most urgent that out Baptist people be more generous than ever before in support for the Homes through the regular channels of the 3rd Sunday of February Offering, the Cooperative Program, and an over and above gift for the Western North Carolina Home.

Ministry to an older person is a direct ministry as unto Christ Himself and is most pleasing to Him, we are sure.

Respectfully submitted, J. D. Hewett, Representative

## RELIGIOUS LITERATURE

The Biblical Recorder is grateful for another good year, although these re difficult days for religious publications. Some have had to go out of busness while others are squeezed by rising costs. The Recorder has not escaped the pressures of inflation. For example, paper has risen 61 percent already this year--and the end is not in sight.

Even so, the Recorder has been in business for 141 years and expects o continue. A few changes have to be made, however, to keep the paper trong. As staff members have resigned or retired, they have not been replaced. Some weeks the number of pages has to be reduced to save money, ut readers have been very understanding.

Despite some problems, the Recorder is enjoying its highest circulation history--more than 111,000--thanks to the continuing support of the vast ajority of Baptist churches in the state. These churches and their members emember the part the Recorder played in the overwhelming defeat of liquor the drink last November.

The Recorder will continue its emphasis on local church coverage, seeking deal with problems that every church has. Naturally, we are prejudiced, t we do not believe any publication can take the place of the Biblical Recorder. your church does not send it to every family, may we ask a simple question? a cost of only a nickel each week for each family, this is the best investent a Baptist church can make. Put the Recorder in the budget before it has increase the rate because of inflation.

Church letters report seven churches, of the Brunswick Baptist Association, have the Biblical Recorder in the church budget.

Respectfully submitted, Jimmy Rogers, Representative

## RESOLUTIONS

We, the Resolutions Committee, wish to present the following resolutions.

1. To the Elah and Jennie's Branch churches, we express our gratitude for the hospitality and the gracious meals prepared for these associational meetings.

2. We express our appreciation and gratitude to those who had a part in preparing the program for the associational meetings.

3. Our heart felt thanks go to Miss Ruth Galloway, Associational Treasurer and Arthur R. Waisner, Associational Director of Missions, for their dedication and faithfulness to the Lords Work in the Brunswick Baptist Association.

4. We further resolve that the Brunswick Baptist Association go on record as being opposed to the Rock Festival scheduled in Leland or any other such activity within the boundaries of our association.

Respectfully submitted, Jimmy Rogers, Chmn.
Mrs. Lillie Hewett, Mrs. James W. Jackson

## SUNDAY SCHOOL

The SBC emphasis for the Sunday School was "One For One". In 1975 the Sunday School Adult program will be stressed.

There were several efforts made to improve teaching. On February 18, 1974 a group attended a training workshop at Winter Park Baptist Church, Wilmington Association. This was followed up with a teacher training sessio at Supply Baptist Church on May 20, 1974.

Action Night was very well attended. Held at Shallotte First Baptist Church, on April 29, 1974, Tony E. Brewington, Superintendent of Missions, Burnt Swamp Association, presented the program.

Five churches participated in a "Peoples Search Campaign." These wer Boiling Spring Lakes First, Calvary, Mount Pisgah, Oak Island, and Supply Baptist Churches. Raleigh provided personnel to assist with follow up after a census of each community was completed. We learned much about our church, the community, our facilities and potential Church and Sunday School members.

A regional leader training clinic was held the third week in October in Wilmington for the individuals who will be teaching the Sunday School leaders within the association. These leader training classes will be held in Februar of next year.

Respectfully submitted, Maynard H. Owens, Director

## VACATION BIBLE SCHOOL

God continues to bless those efforts which are put forth in Vacation Bible School. Although I feel that not every effort was made this year that might have been, there have been marvelous results already. I feel that there were perhaps some schools conducted for which we have no report, and perhaps th were some Mission Schools not reported.

These are the figures that have been reported: 34 schools reported this year plus, 5 Mission Schools. The enrolment of all schools was 2,643.

A most significant item in the reports is the fact there were 58 professic of faith and 13 rededications within the schools.

We are most thankful for the efforts of all those who had a hand in the wo of Vacation Bible School this year. We realize that in most cases workers w required to sacrifice not only their time, which today has become a prized co modity, but in many cases they were required to give of their monies. But w also realize the Spiritual training of our boys and girls is of the utmost impo ance. One young life won for the Lord Jesus Christ is well worth all the sac fices and efforts expended.

May God continue to bless each of you both individually and as a church as we continue in God's work.

Respectfully submitted, Ivren B. Hughes, Director.

## WOMEN'S MISSIONARY UNION

It has been a wonderful opportunity to work with the Associational WMU in sharing His Word. We began the year with WMU work in 21 of the 38 churches. September found us with the work in 24 of the churches.

Inspired by the WMU watchword for 1973-74, "The Word was made flesh, and dwelt among us---full of grace and truth.", (John 1:14). The first task of the Women's Missionary Union being to teach missions, we presented missionary information at the Leadership Conference and the WMU Rally. Also, a simultaneous study of the Foreign Mission Study Books for all ages levels was attended by a total of 187 individuals.

The Week of Prayer for Foreign Missions, the Lottie Moon Christmas Offering, the Week of Prayer for Home Missions, and the Annie Armstrong Easter Offering are all ways the WMU has shared His Word.

In April at the annual WMU meeting, the Rev. Zeb Moss and his teenage daughter, Suzanne, shared with us some of their experiences from Zambia. 14 churches were represented with 73 persons in attendance.

In May, the WMU sponsored the Cooperative Program Arts Contest, offering all church members an opportunity to express their appreciation and understanding of the Cooperative Program.

In July, an association-wide study, "Yes, A Women's View of Mission Support", ably taught by Mrs. Sue Rogers, Southport Church, gave women and girls an opportunity to examine their committment to praying, to giving, and to the possibilities of vocational missionary service.

In September, eleven of the associational workers went to Mundo Vista to attend a Leaders Workshop.

This year the WMU has encouraged services for the Rest Home, located in Southport. We are pleased to report all churches have responded to the dates set for them to hold worship service at the home.

Time will not permit to elaborate on the many meetings and the many things the WMU has had a part in this past year. However, if you missed the Acteens Mother-Daughter Banquet, the Girls in Action Summer Fun Time, the Missions Banquet for Pastors, the Leadership Conference, and the WMU Rally, you really missed a great part of Christ's work in the Brunswick Baptist Association.

Because of the tireless efforts of those who serve on the WMU Council and those ladies who work so diligently in the local churches, the Brunswick Baptist Associational WMU was a Distinguished WMU this year. This is the highest possible rating we could have received at the state level. I deemed it a great privilege to accept this award at the annual State WMU Meeting in Greensboro. This award now hangs in the associational office.

As a worker in the Associational WMU, we are entrusted with the responsibilities of helping our church WMU's to develop and to grow.

Respectfully submitted, Mrs. Bryan R. Smith, Sr., Dir.

ELAH BAPTIST CHURCH (1882)

On January 18th, in the year 1882, the following item appeared in the Wilmington Morning Star:

"The erection of a Baptist Church at Myrtle Branch, Brunswick County, about six miles from Wilmington has been commenced, and a building committee consisting of Rev. J. G. Dukes, John Nelson and William Penny has been appointed to solicit subscriptions. In dimensions the church is to be 35 by 30 feet."

A Deed of Conveyance was drawn up by Mr. Mike W. Hilburn and his wife Ethelinda E. Hilburn, the following February 4th. The aforementioned deed also allowed that the property could be used for the establishment of a 'free school'. The church building was used about two months out of the year as a school house and served a considerably large community.

The Rev. J. G. Dukes, one of the organizers, also served as the church's first pastor.

The Myrtle Branch Missionary Baptist Church served the community at large from this location for the next twenty years. In 1903, the church building was relocated about one mile west in order to have the church more centrally situated. Too, a government licensed distillary had been built within hearing distance of the congregation.

Upon relocating, the church was renamed Elah Missionary Baptist Church. The land was donated by Mr. Henry Mintz and his wife Elizabeth Mintz. In the deed it stated, "that they shall erect a house of worship or any other improvement for the worship or advancement of the church members of the said Myrtle Branch Baptist Church or the Missionary Baptist Church at large, to preach and expound God's Holy Word therein---".

A great step forward for the church occurred when, at conference on August 20, 1952, the church voted to cooperate with the Goshen Baptist Church so that a full time pastor could be placed on the combined field of the two churc

The original wooden building of 1882 had been remodelled and additions ma on five separate occasions. So, in June of 1953, the church started a building fund to construct a new sanctuary. At a conference held on July 10, 1957, the church voted to call a full time pastor. During this period, the parsonage was built on land donated by Mr. John C. and his wife Lessie Burgess.

The newly completed brick sanctuary was dedicated on April 27, 1958. The Dedication Sermon was preached by the Rev. Ernest C. Upchurch, Secretary of the Church Development Program of the North Carolina State Baptist Convention. The day was marked by a wonderful spirit of worship and thanksgiving.

Time marched on and the need grew more critical for new and improved facilities for the Sunday School and the other church activities. October 1974 saw the completion of a new two story brick Educational Building.

God's men who have served the church down through the years include: J. G. Dukes, John P. Lennon, Jim Benton, A. Judd Freeman, Paul T. Britt, ---Dobson, D. L. Hewett, A. W. Clemmons, George T. Hickman, Frank B. Potter, Norly Britt, J. Bryan Dosher, S. I. Mintz, H. B. Bennett, Walter G. Phelps, Joseph C. Stanley, Vic Potter, W. T. Lundy, Bruce Lanier, Linwood Todd, and William Herman Lewis.

In the Book of First Samuel, David met Goliath in battle amidst the Vale of Elah. God upheld his servant David against odds man tends to think of as impossible in his own might. Nothing is known as to who or how the name Elah was chosen in 1902. One likes to picture Elah Baptist Church as a present day battleground where God's love, concern, and Holy Spirit undergirds his people, as with David, to overcome odds unknown to mere man.

Truly, Elah Missionary Baptist Church has grown, and may our Heavenly Father continue to foster our growth, not only in size and numbers but in deeds of service as we march forward under his banner.

## JENNIE'S BRANCH BAPTIST (1895)

Organized in 1895, the church was constituted with fourteen charter members: Jesse Edwards, Marshall Edwards, George Gore, John Edward Gore, O'Neil Gore, Pink Gore, Ben Hewett, C. S. Hewett, M. R. Hewett, Willie Hewett, Lewis Ludlum, Joe Stanley, Mark Todd, and Peter Todd. Jennie's Branch Church has been a member of the Brunswick Baptist Association since its inception in 1899.

It was decided in 1933, to relocate the facilities nearer to the communitie geographical center. A plot of land was donated by Dr. and Mrs. M. H. Rour This move was completed in 1934.

Twelve years later, February 9, 1946, the church voted in conference to build additional classrooms. With the classrooms completed the following yea the church membership increased to approximately 70 persons and the Sunday School enrolment moved up to 90.

In 1955 adjoining property, owned by Warren W. Hewett, was given to the church for use as a church cemetery.

Then in 1962, property was obtained from E. V. Gore, Jr., to construct a church parsonage. The purchase price of $500.00 dollars was paid and the construction of the parsonage was completed by the spring of 1963. The first occupants of the parsonage were the Rev. C. J. Piercy and family.

A building committee was formed, in church conference, October 8, 1967 to spearhead the construction of a new Church Plant. Members of that committee were: Shelton Gore, Steve Gore, Ned Grupton, William Hewett, Burri Stanley, and Louie Stanley. Groundbreaking ceremonies were held in January of 1968.

The church held its first service in the partly completed sanctuary the first Sunday in January 1970. Two years later the Church Plant was complete Dedication Day was held, September 17, 1972, Harvest Homecoming Day, wi Judson Rotan, a former pastor, preaching the dedication sermon.

The WMU was organized in 1949, with Mrs. Rosa Stanley as the first president. In 1958, the Church Training was began with Mrs. Odessa Stanley as director. The present Church Choir was formed in 1968. The church orga izations are: Sunday School, Church Training, Church Choir, Vacation Bible School, and with the WMU; Girls in Action, Acteens, and Baptist Women. Chu enrolment is 185 resident and 24 non-resident members for a total membersh of 209.

Pastors who have served the church include: Dempsey Hewett, Hartford Robinson, Ephriam Swain, Islam I. Stone, Charlie Bullock, Alford Clemmons, Bob Carter, Vance Simmons, T. F. Johnson, H. Bert Bennett, Harold Gore, Amis Daniel, Judson Rotan, C. F. Piercy, and the present pastor, Jesse Bentley.

Jennie's Branch Baptist Church was built and does exist today because the people had a mind to work. People working together, with God's guidance, can accomplish great things for the glory of God and nothing is an impossible task.

## MEMORIAL SERVICE

Brother Moderator, Messengers and loved ones of the deceased in our umber, Isn't it wonderful that in the wisdom of a loving God He has provided hat we shall not live in this body always?

Indeed, life would be tragic if there were no place for death. God, in His ove, provided there would be an end, for His children, to the suffering and irmoil of this life.

This provision we call "death". How we should thank our Heavenly Father is not the "end" of life, but the realization of the promises of God for all hose who put their trust in Him.

How glorious it is that God has provided that we should not come to the our of death unprepared, but that it should be the greatest hour of victory r His child, for His love has provided the plan of salvation.

Truly, the Christian can shout with the apostle Paul: Oh, death where is y sting? Oh, grave where is thy victory?

Thanks be unto God who giveth us the victory thru Jesus Christ our Lord!

, when you are lonely and sad, think on the things that your loved ones would ve you think, then turn your eyes upon Jesus and look unto Him who is our viour and Lord, and the blessings of Heaven will flood your soul.

(Let us stand for a moment in silent prayer for our loved ones who have ne from our group.)

# REPORTS

## AUDITING COMMITTEE

The Audit Committee met with the Associational Treasurer, Miss Ruth Galloway, on October 13, 1975 and examined the financial records for the fiscal year 1974-1975.

We verified the receipts with the deposits made in the bank, checked all disbursements and arrived at the balance shown on the bank statements and on the treasurer's financial report.

It is our opinion that the financial records of the Brunswick Baptist Association have been and are kept in a neat, detailed and orderly manner.

We indeed are appreciative and grateful for the excellent job she is doing.

Respectfully submitted, Douglas H. Hawes, Sr., Chairman;
John R. Sellars, Durbin S. Varnum

## BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA, INC.

Christian child care provided by the Baptist Children's Homes of North Carolina is a cooperative mission. It was through the life, teaching and ministry of Christ and under the leadership of the Holy Spirit that North Carolina Baptists launched their child care ministry 90 years ago. Today it is recognized as one of the outstanding ministries of its kind in the nation.

During the past year emergency shelters were opened in Charlotte and Forest City to meet the needs of children requiring immediate assistance. Both Broyhill Home and Mills Home will have a new cottage for children constructed during the next year. Progress is being made to expand facilities at Odum Home. Increasing numbers of families are opening hearts and homes for the care of foster children.

The award winning film, "The Mountain Within," meets with praise and appreciation wherever it is shown. It will continue to be available, either to the Communications Department of the Baptist State Convention or to the Children's Homes.

A cooperative mission requires that the parties involved have a clear, common purpose to which they are firmly committed, undergirded by mutual trust, and clear communications. These factors characterize the relationships between the Baptist of North Carolina and their Children's Homes. With God's continued blessing we will move together to fulfill our mission.

Respectfully submitted, Mrs. Catherine G. King, Representative

## BAPTIST HOSPITAL

There have been many significant developments, in several different areas, at your Baptist Hospital during the past year.

The new ambulatory care unit has been opened, making possible enlarged and improved services for the Emergency Room, Out-patient Clinics, Physical Therapy and other departments. Renovation of the West Wing has been completed and renovation of the South Wing will begin in early August. The third floor of the Progressive Care Unit has been remodeled to provide 26 beds, therapy room and other improved facilities for Psychiatric services.

The long-awaited EMI-scanner is now in use and is already proving beneficial in detecting blood clots, tumors, strokes and other abnormalities of the brain.

A Family Practice Center opened July 1, 1975 to offer more primary medical care for patients and also to provide specialized training for physicians who choose to enter Family Practice.

Despite the continued rise in costs of services and materials the hospital has been able to operate in the black. Gifts from the Baptist churches have been very gratifying. During the calendar year of 1974 the hospital received

$258,898 through the Cooperative Program and $392,000 through the Mother's Day Offering. Hospital staff members have participated in Cooperative Program promotion in cooperation with the State Convention Division of Stewardship and Cooperative Program Promotion.

During the past year Mr. Reid T. Holmes retired as President of the hospital, after serving in the hospital administration for 29 years.

Respectfully submitted, J. Bryan Dosher, Representative

## CHRISTIAN HIGHER EDUCATION

Baptist colleges in North Carolina see themselves as active participants in the Christian mission to share the Gospel of Jesus Christ with all people everywhere. In addition to the important role of preparing future lay leaders for local churches, the colleges continue a strong emphasis upon ministerial and church-related vocational training.

In April of 1975, our seven colleges reported a total of 715 persons who were preparing for careers in church leadership. Most of these persons will complete their preparation by attending a seminary. Southern Baptist seminaries listed an enrollment of 303 graduates of North Carolina Baptist colleges in the spring of 1975. The Foreign Mission Board has under appointment 152 of our graduates at present, more than 6% of the total number of current missionary personnel.

With the exception of what the students pay, the Cooperative Program continues to be the largest single source of annual income for our colleges. In these days of financial uncertainty, the colleges are grateful for the level of support which North Carolina Baptist have maintained. During 1975, the anticipated Cooperative Program budget for the colleges will provide: Cambell College, $416,066; Chowan College, $263,333; Gardner-Webb College, $329,166; Mars Hill College, $360,776; Meredith College, $360,776; Wake Forest University, $639,900; and Wingate College, $263,333.

Another way the churches help to relieve the colleges' financial burden is through the annual offering on Father's Day. Designated for student aid, this offering gives much needed assistance to many students from Baptist churches, making an education on a Christian college campus possible.

Pastors and other church leaders can assist their young people and our colleges by encouraging attendance at a Baptist college. Information is available in brochure form, free of charge, from the Council on Christian Higher Education of the Baptist State Convention in Raleigh. Each of the colleges pledges to North Carolina Baptist young people that no qualified student will be turned away for pure financial reasons. Through grants, loans and work scholarships, an education is available for anyone who seriously seeks it.

North Carolina Baptist colleges are committed to Christian values, and to an active partnership with their fellow-Baptists in evangelism, missions, education and social concern.

Your Baptist colleges sincerely solicit the supportive prayers of North Carolina Baptist churches, that we will be aware of and receptive to Divine guidance in performing the work which we have been give to do.

Respectfully submitted, A. W. Icard, Representative

## CHURCH LIBRARY

Last year at this time I reported to you that the 1973 Associational Minutes showed 14 church libraries, but gave the names and addresses of only nine librarians. The 1974 Minutes, which were received several weeks after the Associational Meeting, showed 13 church libraries, but only 10 librarians. There is evidently some misunderstanding in reporting on the church letter about church libraries. Any clarification of this will be helpful to me as I seek to work with church libraries.

During this past church year the Leland Church has organized a library and elected a library staff. At the present time the pastor is sharing his study for library space.

Just recently Calvary Church has voted to establish a library. They, too, have elected a librarian and the library will share a room with a Sunday School class for the present.

In the summer I was asked to visit Shallotte First Church and speak to the prayer meeting group on the value of the church library and how to go about establishing one. I did this and the church has elected a librarian and arranged for a room for the library. They will soon be ready to begin the processing of the library materials.

If other libraries have been organized they have not been reported to me. I will appreciate hearing any library news from the churches.

A church library is a service unit of the church and is designed specifically to undergird and support every function of a church. A church library can help in the tasks of teaching and training leaders and preparing teachers for their work; it can help in the January Bible Study, in mission study programs and classes, doctrinal studies, preparation for Vacation Bible School (and also during the time of the school); it can help in Youth Week, career choices, and regular programs of the Sunday School and the various mission organizations. There seems to be no end to what a library can help with if a church is interested enough to provide some materials, space and leadership.

Be it large or small, your church wants to fulfill its mission as a church in winning and ministering to the total person, it needs a church library. Funds and space may be limited and you may feel that you have no one trained to take on the job as Director of Library Services, but all of these handicaps can be overcome. At least ten of our churches have proved this to be true. Give it a try in your church. The pastor or any member can lead out in getting a library started. Your Church Library Representative stands ready to help where needed and when asked to do so.

Respectfully submitted, Mrs. Susan S. Carson, Representative

## CHURCH MUSIC

During the past associational year God has been good to us in every respect. But, the one thing we want to thank Him for now is the voice to sing praises unto His name.

For the past two years we have had a music workship led by Charles Gatwood, Associate Director, Department of Church Music, from Raleigh. Last year I asked for more of you to attend these workshops, but this year did not exceed the first year in attendance. As you know, the purpose of the workshop is to strengthen the music program through out the association.

This year we enjoyed a good workshop consisting of three night sessions and held at Mount Pisgah Baptist Church. The first two nights were conducted by Mr. Gatwood and the final night by Mrs. A. S. Knowles, was enjoyed by all. We want to thank Mrs. Knowles for a job well done. If the Lord's will, we will sponsor another workshop the coming year.

In the Brunswick Baptist Association most of our churches have choirs, and good ones, but even so, there are churches that have not formed a choir. Every church should have at least a young peoples choir, if not an adult choir, for it is imperative that we interest our young people in worship through the singing of the church.

If I can be of any assistance toward forming a choir in your church, please let me know by telephone or letter. Let us go forward toward the high calling of God's Kingdom. "Serve the Lord with gladness, come before His presence with singing," (Psalm 100:2).

Respectfully submitted, G. Rotha Hickman, Director

## CONSTITUTION COMMITTEE

Page 14 of the constitution in the 1974 minutes of the Brunswick Baptist Association under Committees, Article XII, Paragraph "F", reads as follows:

> Ordaining Council of the Association shall be composed of the Baptist Ministerial Conference of the Association. It shall be the duty of this committee upon request of an affiliated church, to examine the candidate for the Gospel Ministry, and submit its recommendations to the church making the request. The President of the Ministerial Conference shall serve as chairman of this Council and a report shall be made to the annual session of the Association.

Upon the recommendation of the Missions Committee of the Executive Committee of the Brunswick Baptist Association, in the April 7, 1975, executive committee meetings, the Constitution Committee's recommendation is that the wording of the Ordaining Council be changed as follows:

> F. Ordaining Council of the Association shall be composed of five men, three Baptist Ministers, two Deacons, all of this Association, active or inactive; and the Director of Missions, the President of the Ministerial Conference, and the Moderator of the Brunswick Baptist Association, serving as ex-officio members of this committee. No two of these persons shall be from the same church in the Association. This committee of five, as indicated above, shall be nominated annually by the Nominating Committee, and elected by the Association each annual session. It shall be the duty of this committee upon request of an affiliated church, to examine the candidate for the Gospel Ministry, and submit its recommendations to the church making the request. The President of the Baptist Ministerial Conference shall serve as chairman of the Ordaining Council and a report shall be made to the annual session of the Association.

The recommendation of the Missions Committee as mentioned above was approved by the executive committee and the Constitution Committee was asked to bring this recommended change to the annual session on October 23, 1975.

Respectfully submitted, Henry L. Register, Chairman;
C. Frank Lennon, C. L. Turner

## DIRECTOR OF MISSIONS

Since we last met, the shadows of time have lengthened into night fall, and we come to the end of another associational year 1974-75. It is gone forever, with all of its opportunities of service for our Lord. Our heartaches, disappointments, and our negligence are all printed on the pages of time.

But, God is so gracious, that he has given us another year. There will be other opportunities for service; joy will replace the aching hearts. The

disappointments shall be turned into happiness, and with God's help we shall not forget that we are debtors unto God, our fellowman, our church and the association.

The Brunswick Baptist Association has experienced a very good year in a number of ways. God has sent us more fine pastors to fill the vacancies in some of our churches, many souls have been won to Christ and to church membership. We have experienced financial growth, and the meetings have been well attended with enthusiasm. We express our deep and sincere gratitude to everyone who served in some associational position during the past year.

As we begin this new year, we look forward to many great and rewarding experiences. Let us draw the cord of love a little tighter that binds us together, and give of our best to our Maker, Redeemer and Sustainer.

Your Director of Missions stands before you today well aware of the fact that more could have been accomplised in our association during the past year. However, we used all of the time that we had and could have used more. Our obligations seem to grow with the years, and for this, we are greatful to God and to you.

As in the past, we attended our State Convention, the Southern Baptist Convention, State VBS Clinic, the Annual Directors of Missions Conference, both in Florida and Fruitland. Home Mission Week at Ridgecrest for special Sunday School Workers. Sunday School briefing meetings in Raleigh, worked in two World Mission Conferences, worked in a Mission-Advance Weekend, conducted two revivals, taught the January Bible Study in three churches, attended a Brotherhood and Baptist Hospital regional planning meeting, worked in a Sunday School Improvement/Enlargement Campaign, preached at Fort Caswell on two different occasions, preached in many of our churches, helped plan all associational meetings and attended them, held sixteen committee meetings at the office, counciled with 122 people at the office, prepared 630 monthly news letters, sent a monthly report to the Missions Division in Raleigh and one to the Associational Missions Committee Chairman, mailed more than a thousand correspondence and gave a report at each executive committee meeting, showed films in many of our churches, visited many V.B.S. and spoke to the children, spoke at a number of Brotherhood meetings and R.A. meetings. There are many things that could be added but time nor space will not permit.

Please pray for us as we begin this new year.

Respectfully submitted, Arthur R. Waisner, Director of Missions

## EVANGELISM

We have been commissioned and commanded in God's Word to, "Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost; teaching them to observe all things whatsoever I have commanded you: and lo, I am with you alway, even unto the end of the world," Matthew 28:19-20.

The churches, pastors, and people in the thirty-eight Baptist churches of the Brunswick Baptist Association have a marvelous opportunity to reach the lost, the unchurched, and have an open door in sending the gospel of Christ to the ends of the world.

May I encourage every church in our association to give 10% or more through the Cooperative Program, to give generously through the Lottie Moon Christmas Offering, to give more generously in financial support of associational missions, and to love and to support your pastor in his ministry of evangelism in the local church.

May I suggest the following for your pastor:

1. An increase in salary, now.
2. An increase in travel expenses, now.

3. Study the retirement program for your pastor, and be certain you are providing what our denomination suggests.
4. Provide the utilities for your pastor if you are not already doing so.

Our churches need to provide enough money in their budget enabling the pastor to attend the Evangelism Conference, the North Carolina Baptist State Convention, the Southern Baptist Convention, and the School for Preachers at Mars Hill College. Your pastor and church will profit greatly from these conferences.

The Evangelism Conference in our Association is scheduled for Thursday night, November 13, at Shallotte First Church. The Rev. Woodrow W. Robbins, pastor of Lexington Avenue Baptist Church, High Point, will be the speaker. A Cooperative Program film entitled, "Decision at Friendship," will be presented.

Our Director of Missions, our churches and our members of our churches are to be commended for their evangelism efforts through the local church. Remember to pray daily for the work of evangelism in all the churches of our state, nation, and our world.

Respectfully submitted, Jim D. Jones, Chairman of Evangelism

## GENERAL BOARD

The General Board of the Baptist State Convention met on January 28, 1975 at Meredith College and reconvened on January 29th in the chapel of the Baptist Building in Raleigh.

Dr. Perry Crouch reviewed the work of the general board stressing that members are representatives from the convention back to the people. He also reported briefly on the World Relief Offering which eventually amounted to over $260,000.

The Rev. Billy L. Mobley was relected President of the General Board and other officers were chosen.

Associational aid amounting to $2,088 was approved for the Brunswick Baptist Association. Lot aid in the amount of $2,000 for the Ocean View Church and $1,000 for Woodburn First Church was approved, while a request by Beulah Church for pastoral aid was referred to the executive committee.

The dedication of the A. J. Fletcher Communications Center, located on the fourth floor of the Baptist Building in the new wing, was a historical and significant moment in the field of communications for our convention, as no other state convention in the Southern Baptist Convention has a studio in their Baptist Building equipped for taping television and radio programs. An opportunity for extending the ministry of North Carolina Baptist.

The July meeting convened in the chapel of the Baptist Building on July 15th and 16th.

At this meeting Campbell College presented a request to establish a law school and a graduate program.

A discussion of the location of the conference center at Camp Caraway took place with a final decision to continue with the construction already underway there.

On October 14th and 15th the general board met at Camp Caraway and we were able to observe the progress on the construction of this conference center.

All during the year we had been encouraged to pray for the Search Committee as it sought a successor to Dr. Crouch as General Secretary-Treasurer of the North Carolina Baptist State Convention. At this meeting the search committee presented Dr. Cecil Ray, Dallas, Texas, whom they were recommending. Their recommendation was accepted unanimously by the executive committee and in turn by the general board and will be before the state convention for final decision at its annual meeting in Asheville, November 10-12.

The budget to be presented to the state convention was adopted and a financial report was heard. A comparison of income in 1975 with that of 1974 showed an increase in Cooperative Program receipts and in most of the Special Offerings.

Respectfully submitted, Ira L. Chadwick, Representative

## HISTORIAN

Our association is continuing to move and each day is a new day of history. Looking back, Brunswick County was formed in 1764. It is now 211 years old. The beginnings of our association was in 1898 and on November 30, 1899, the Brunswick Baptist Association was organized. The Brunswick Baptist Association is now seventy six years old. The oldest church in our association (Mount Pisgah) is 213 years old.

A full history of our association has been written and a copy has been given to our Associational Director of Missions. We are finding more information to be added to this history. Next year our nation will be two hundred years old and a fuller history will be prepared.

For this past year 1974-75 I have not gathered very much information. No new church has been formed, however, it is believed there is the need of a mission in some areas and this is being discussed.

Respectfully submitted, William F. Deitz, Historian

## INTERRACIAL COOPERATION

My work in the Brunswick Baptist Association with the General Baptist began in 1960, with a Vacation Bible School Clinic at Cedar Grove Church, Supply. In 1963, a team of our own General Baptist went to Wingate College for the state clinic, the first General Baptist to attend a state clinic. We are proud that this year, (1975), the Ocean View Association conducted their own Vacation Bible School Clinic without help from anyone. It was a very good clinic with fair attendance.

Brother Porter Dinkins sponsored the first General Baptist Vacation Bible School held in Brunswick County. He was always ready to help in the work so his people could have their children in Vacation Bible School. It was his desire the church educational building at Bethlehem be ready for this years school. The building was completed on time. However, this dear friend and neighbor went home to claim his reward before Vacation Bible School time arrived.

I thank God, that on this my fifteenth year of interracial work, I was able to perform a small portion of the work on hand. I had felt personal conditions were such, no attempt could be made this year. With your prayers, the prayers of the General Baptist, and the cooperation of the Secretary of the Cooperative Ministeries, Corbin Cooper, we were able to accomplish a reduced schedule of work.

God willing, I plan to work at two Institutes this winter and the Vacation Bible Schools next summer. I leave it all in His hands. David says in Psalm 27:14, "Wait on the Lord; be of good courage, and He shall strengthen thine heart, wait I say, on the Lord."

Respectfully submitted, Mrs. Elsie B. Robbins, Representative

## NORTH CAROLINA BAPTIST FOUNDATION, INC.

Very few people are financially able to make a large enough gift to any of our Baptist institutions or causes to justify the gift as an active or self-supporting pertetuating trust. Fortunately, the Baptists of North Carolina, through the North Carolina Baptist Foundation, Inc., have made provision for this situation and now for many years have made available to our people this channel for contributions to Baptist causes, be they large or small. Its potentialities are unlimited in sustaining and expanding our mission efforts and services.

Chartered in 1919 by the Baptist State Convention of North Carolina, the North Carolina Baptist Foundation, Inc. has sought to assist individuals throughout the state in their estate planning, providing ways to support Baptist institutions and mission work on a permanent basis. Property and funds placed with the Baptist Foundation are invested by a Convention elected board of directors with the income paid annually to the institution or mission cause designated by the donor.

Individual assistance is provided Baptists throughout the state in the establishment of trusts that not only benefit the donor but also support the Christian ministries of our denomination in a lasting, perpetual way.

During the past two years, $330,070.41 has been given to the N. C. Baptist Foundation, Inc. in the way of annuity trusts. In this type of trust, the donors reserve the right to the income from the investments for their lifetime and then the income will be paid to the Baptist causes specified in the original trust agreement. The laws of our land provide to the donor certain tax advantages for the gift portion of these transactions.

Wills still account for a major portion of the funds held in trust by the Foundation. One such gift to benefit mission work from this year forward, came in the form of a farm and other assets given by the deceased. It was determined by the tax records found in this estate, that this person will give annually three times as much for missions through the income from this trust fund, as she was ever able to earn in total wages during any year of her lifetime. So what she could not do for our Lord's work here on earth in her lifetime, she does after her life here among us has ended.

New gifts to be held in trust by the N. C. Baptist Foundation, Inc. amounted to $635,079.57 during the 1974-75 fiscal year. Added to the market value of assets held from previous years brings the total value to $2,331,559.67 as of June 30, 1975. Income from all assets held by the Foundation which have been or will be distributed to designated beneficiaries in the near future amounted to $76,257.82 for the past 12 months.

All interested parties are urged to direct their inquiries to the Executive Secretary, N. C. Baptist Foundation, Inc., Post Office Box 26508, Raleigh, N. C. 27611. This office welcomes inquiries and is happy at all times to render assistance to any person, firm or corporation in this area of our Baptist work.

## NORTH CAROLINA BAPTIST HOMES FOR THE AGING

There has never been a year in the history of your Baptist Homes when more people have sought the services of the Homes. This has been true particularly of the aging sick person. Almost daily calls come from older persons, and their families, inquiring about admission to one of your five resident Homes and the Skilled Nursing Care Facility of the Homes.

Today there are some 21,000,000 Americans 65 and above, and this number, it is anticipated, will grow by over 300,000 a year in the years ahead. Although, we can minister in our North Carolina Baptist Homes to only 230 persons at any given time, we have served hundreds of aging people through the twenty-four years that we have been on the scene at Resthaven, the Hayes Home, and the Nursing Care Unit, in Winston-Salem, and in our Homes at Albemarle, Hamilton and Yanceyville.

Gifts for 1974-75 from our Baptist Churches, through the Cooperative Program and through the 3rd Sunday of February offering for the Homes, reflect a very encouraging increase. This is great, and we are greatful especially since four out of every five persons who live in our Homes depend upon these love gifts for their care.

The most exciting development in the family of your Baptist Homes for the past year has been the experience of obtaining one of the most beautiful locations in the Blue Ridge Mountains of North Carolina for the proposed Western North Carolina Baptist Home. Plans are in the making now to raise

$1,000,000 for the construction of this new proposed Western North Carolina Baptist Home. With the completion of this Home, North Carolina Baptists will be enlarging their base of ministry to almost 300 persons.

Pray for the ministry of your Baptist Homes for the Aging. Give as liberally as possible that the overwhelming needs of older people in our midst might be met more adequately. Visit the Homes and see first-hand the personal joy that your gifts bring.

Respectfully submitted, J. D. Hewett, Representative

## RELIGIOUS LITERATURE

Our state paper, the *Biblical Recorder,* continues to keep North Carolina Baptist informed. It has covered many sensitive issues this past year. As the *Recorder* continues to operate on a limited budget. local churches can help by subscribing or renewing their subscriptions to this worthy publication.

Available from our Baptist Book Store are various forms of helpful literature such as *Home Life* for the entire family or daily devotional magazines, *Open Windows* for adults and *Encounter* for youth.

Southern Baptists have just finished participating in a denominational project to read the Bible through during the 1974-75 church year. To be treasured above all other books is the Bible, God's inspired word to mankind.

At home, church, work or play may the words of Psalm 119:105 become our motto.

Respectfully submitted, Mrs. Gwen Clemmons, Representative

## RESOLUTIONS

We, the Resolutions Committee recommends that:

1. We, the messengers of the 77th annual session of the Brunswick Baptist Association express to God, our Heavenly Father, our praise of His marvelous grace and love, and for our victories through Christ during the past year, for souls saved, and advances made in all phases of our work.
2. We wish to thank our Moderator, Brother Poston, and all his associational officers and committees for bearing the burden of the work and the meetings during the year, and for their able performance on this program.
3. We especially commend our Director of Missions, Brother A. R. Waisner, and his devoted wife, who have daily extended long arms of prayer and concern for all of us in all phases of our work.
4. We thank Miss Ruth Galloway, Associational Treasurer, who has made the detailed work of finances a beautiful labor of love.
5. Our honored churches, Mill Creek and Ocean View, have outdone themselves in opening their doors of hospitality to us and spreading such bountiful tables - We do thank you for every expression of your love.
6. For our Clerk, Mr. John W. Butler, who dared from the facts, to tell it like it is and challenged us to become a self-supporting association and quit selling Christ short.
7. For Mrs. Elsie B. Robbins, Inter-Racial Worker, fifteen years of lovely service where she gives the common Christian towel of love to all races - and does not yet "have sense enough to quit."

8. Our hearts are profoundly grateful for the marvelous spirit of worship and love and cooperation manifested through every area of our program, the planning and the performance, of the music, the devotions, the reports, the special music, and the special messages.

9. To the Rev. T. L. Cashwell, Jr., we express thanks for "putting the water where it touches the wheel," in his message on our theme, "Sharing His Love Now," and for the inspiring doctrinal message by the Rev. James C. Spivey, "that He is coming again."

10. We praise God for raising the Rev. Henry L. Register back to health in His own miraculous way this year.

11. We challenge all churches to take an active stand against the dope traffic being carried on in our communities and schools and especially among our youth.

12. We recommend that we daily pray for our pastors who constantly bear the burden for the lost and sick and unchurched in our association and for our state and southwide leaders who give themselves without measure to the work of the Kingdom.

13. We further recommend that in this Bicentennial Year that each of us dedicate ourselves - to a positive effort to "Share His Love Now," in our churches, on the beaches, in our homes, and businesses, that America will continue to be a citadel of freedom and righteousness and as missionaries to the nations of the earth - while there is yet time.

Respectfully submitted, Mrs. James D. Craig

## SUNDAY SCHOOL

Three of our important activities last year were: High Attendance Sunday, Sunday School Leaders Clinics, and Sunday School Action Night.

The associational Sunday School average attendance in 1974-75 was 2,680. High Attendance Day, November 17, 1974, we had 3,096, an increase of 416 over last year. We are grateful to the churches, Sunday School Directors and Pastors who made this possible.

The Sunday School Leaders Clinics were designed to provide training and inspiration. There were four clinics held last spring conducted by Mr. John White, Mrs. James C. Craig, the Rev. Marvin Chapman, and the Rev. Hilton Willetts. Twenty-five churches and seventy leaders participated.

Action Night was at Soldier Bay Church on April 28. A film, "God Said Go," was featured. 144 people attended. I am grateful to Brother Waisner for arranging and conducting the meeting in lieu of my enforced absence.

There wll be several new emphasis this year. High Attendance Sunday will be November 2. The Sunday School Directors have been given information about this special day.

Another emphasis will be, "New adult Sunday School classes." Statistics show that most old established classes are static - only holding their own. Most new classes grow and have more vitality. Some successful classes have been organized with only a teacher and a prospect list. We hope that each of our Sunday Schools will plan to add a new adult class.

There will be a Sunday School conference for leaders of young adults and pre-schoolers on November 18, 7:00 p.m., at Temple Baptist Church, Wilmington.

This years Action Night will be April 26, 1976, at Leland Church.

Another new program will be the "Action Plan", the enrollment of new members by any method. Almost always attendance is 40% of the enrollment. The idea is to increase enrollment and you will increase attendance.

I have served as the Associational Sunday School Director for two years. Of course, Rev. A. R. Waisner and the associational office has done most of the work. To him, I am indeed grateful. I would also like to thank each of you for your fine cooperation. This is a good association with a progressive Sunday School program. I have enjoyed the small part I have had in it during the past two years.

Maynard H. Owens, Associational Sunday School Director

## VACATION BIBLE SCHOOL

The pass word is excitement. God is so wonderful and we are so blessed that He has chosen us to work in His Kingdom. Just think, God could have used any means by which to accomplish His task but He chose you and me.

This vear has been a wonderful time of getting involved as God manifested the Son through our efforts. The Brunswick Baptist Association reported twenty-five (25) Vacation Bible Schools and four (4) Mission Schools and two (2) Backyard Bible Clubs this year. This is slim in that we have thirty-eight (38) churches in which there should have been a school conducted. My prayer is that God will so move in and through our churches this year that we will have 100% participation.

There was in our Vacation Bible Schools a reported enrollment of 2,108 pupils, plus 162 Mission School members and 43 in Backyard Bible Clubs. A total enrollment of 2,313 with only four ten day schools in operation. We praise the Lord for the thirty-seven souls saved.

God has given us the greatest opportunity to serve Him of any people who have ever lived. Think of the means we enjoy. Will you give more of yourself in the coming years that you may be found pleasing in His sight? May God help us to get more involved in order that many precious souls will be saved.

Respectfully submitted, David C. Adams, Director

## WOMAN'S MISSIONARY UNION

"Where the Spirit of the Lord is, there is liberty." 2 Corinthians 3:17. Like Paul, our liberty was bought with the dear life of God's Son, Jesus Christ. It is He whose light shines in our hearts and gives us knowledge of who God is. We who live in Christ must seek to be like Him and show Him to others with confidence. This is what we have tried to do this year in the Woman's Missionary Union.

Great things have happened for our Saviour in the Women's Missionary Union this year. On November 4, 1974, women from all over our association met with the ladies from Oak Island Church in observance of World Day of Prayer. 121 persons were in attendance for the two sessions. On November 21, LEO (Leader Enlistment Orientation) was held at Supply Church. Your Women's Missionary Union Associational Council worked with 53 ladies from various churches in the association in training them for the work they hold in their own church.

Mill Creek Church overflowed on December 7, 1974, with 197 girls and their mothers at the Girls In Action, Mother-Daughter Banquet. In January, Mrs. Ruth Craig conducted a Missions Study Institute at Mount Pisgah Church. There were 43 Mission Study Leaders and ladies present. The missions banquet was held in February at Friendship Church with 67 pastors, wives, directors and husbands present.

Our little Mission Friends had an egg hunt on Easter Monday with 16 present. The highlight of our year has been the annual Woman's Missionary Union meeting. The attendance was the best ever with 178 persons present. But far greater than the attendance was the presence of the Holy Spirit as young people from the association blessed our lives with testimony and song.

Other great things happened in Woman's Missionary Union this year, TIME (Training In Mission Education), the Girls-In-Action Camp, the Acteen Banquet and Christmas In August. God has really blessed our work this year. 18 Acteens and their leaders from our association were a part of that great gathering in Memphis, Tennessee, the National Acteens Conference, with one of our Acteens dedicating her life to full-time Christian service.

A new Baptist Woman's organization at Soldier Bay Church, a Girls-In-Action at Peace Memorial and Farmer's Chapel Churches, and two new Baptist Young Women organizations have all been part of the growth this

year. Our thanks to the pastors, the churches and the association for your prayers and cooperation.

As we look forward to a new year, we solicit your continued support. It is our desire to undergird all the programs of the association and the Southern Baptist Convention. If the Woman's Missionary Union Associational Council can be of any help to your church or the Woman's Missionary Union Leaders, do not hesitate to call on them. It is their desire to see the progress of Christian missions in the Brunswick Baptist Association.

America celebrates 200 years of Christian heritage and liberty. As the new year begins, it is our prayer that you will be constantly reminded of the liberty and freedom which comes from knowing Jesus Christ as Lord and Saviour.

Respectfully submitted, Mrs. Bryan R. Smith, Sr., Director

History books written about North Carolina Baptist list 1800 as the date Mill Creek Church was constituted. From 1928, two years after the Brunswick Association Minutes began listing the year the churches were constituted, Mill Creek Church reported the year 1800. In 1949 this date was changed to 1776. The minutes have carried the year 1776 since 1949. From 1911-15 the church was known as Brunswick Baptist Church. The 1916 minutes list it again as Mill Creek Baptist Church.

Today, Mill Creek Baptist Church is fulfilling its rightful place in the Mill Creek community with a church program of Sunday School, Church Training, Woman's Missionary Union, Music Ministry, and Vacation Bible School and to the world through its contributions to the Association and the Cooperative Program.

**OCEAN VIEW BAPTIST CHURCH (1948)**

An old building located at Somersett's Landing, Shallotte, North Carolina, was in 1948, the beginning of Ocean View Baptist Church. Charter members were: M. W. Grissett, Harmon Hewett, Tom Hewett, Rev. T. F. Johnson, Tom Milligan, and Harve Somersett.

The site upon which to build a new church was given by Seymore Ray in 1948. The timber was donated by the International Paper Company. Harve Somersett was in charge of construction.

Many are the names of the individuals who cut, hauled and sawed the timber and working with a labor of love, constructed a new church building. Too numerous to record here are the names of those who donated money and the many furnishings for the interior of the sanctuary.

On August 14, 1949, we held the first worship service in the new building. The Rev. W. R. Moorehead was in charge until a pastor could be called. Services were held in the afternoon because a pastor couldn't be secured for a morning service.

The first pews were constructed of wooden blocks with boards nailed on them. Later a colored man gave some better pews. The third set were bought from the Primitive Baptist Church at Hickman's Crossroads. The church obtained the fourth set of pews from the Presbyterian Church in Shallotte.

The Rev. T. F. Johnson was our first pastor. Elected September 22, 1949, were Irene Somersett, Church Clerk; Margaret Somersett, Church Treasurer; and Grover Floyd, Lattimore Hewett, and Joe Smith as Deacons. M. W. Grissett held the first Wednesday night Prayer Service.

Joe Smith was elected Sunday School Superintendant and Dorothy Hewett, the Sunday School Secretary. The Choir was organized by Mrs. T. F. Johnson and her daughter, Elizabeth Johnson. Also, the Vacation Bible School was begun in 1949, with the help of Mrs. Johnson.

The 1949 session of the Brunswick Baptist Association accepted Ocean View Baptist Church into its membership. The delegates were enrolled as follows: Grover Floyd, Joe Smith, and Harvey Somersett.

Our first pastor, T. F. Johnson, served for one year. His salary was ten dollars per month. Jennis McLamb served one year with, likewise, a salary of ten dollars per month. T. F. Johnson then pastored again for eleven years. At his death, Foster Harrison remained for four years, drawing a salary of twenty dollars per month. The fifth pastor, Carl Douglas Andrews, began at thirty dollars and later raised to fifty dollars per month, served for nearly six years. During the ministry of Garland Long, the sixth pastor, the salary was raised to one hundred dollars per month. The church is without a pastor at present. (1975)

Total church membership as follows: 1949, 15; 1960, 53; 1970, 59; 1975, 90. Sunday School enrollment: 1949, 65; 1950, 54; 1970, 56; 1975, 78.

In 1974, the church was remodeled. Donations of money and time given to beautify God's House has placed in the Ocean View area a bright new physical symbol of the spiritual power of God's people within the Ocean View community.
